

## Henry Terrault named Citizen of the Year at Chamber of Commerce banquet

The crowd of about 110 gave Mr. Henry Terrault a standing ovation as he came forward to the head table to accept the 1974 Citizen of the Year trophy and plaque at the Chamber of Commerce banquet held Saturday night at Club Mocambo.

Chairman Dr. Wm. Cuts called on his wife Ethel to read the citation, and on Mayor Dick Plain to make the presentation.

"This is more than a surprise," said Mr. Terrault. "I almost wish I stayed home! There must have been many nominations - how come they picked an old retired farmer like me?"

He thanked the unknown

nominator, the Chamber and the judges for selecting him. To all of you "Thank you ever so much."

The award presentation came at the end of the banquet program, chaired in quite inimitable fashion by Dr. Cuts, who blended a delightful mix of humour and seriousness in his introductions and remarks.

Head table guests were Father Ubaldo Duchesneau, Kay Sieben, John McDonnell, chairman of Sturgeon School Division, Joan Webber, Mayor Plain, Ethel Cuts, Steve Sieben, chairman of St. Albert School District #3; Bernice McDonnell, Bill Webber, chairman of District #6;

Margaret Plain, MLA Ernie Jamison and Shirley Jamison.

Mr. Sieben introduced guests present and the business firm or organization represented where applicable.

Chairman Cuts reviewed some of the work of the Chamber from the fifties on, noting that the organization had much to its credit, including representation to government on Highway two, the underpass and the Sturgeon General Hospital. "The Chamber has accomplished a lot, but we could do more," he said. "We are the only body who get people together to get things done for the town. We need support, not only from the businessmen, but from all who are interested in the promotion of the town. The Chamber provided a common meeting ground - if all of us

Continued on page 2.

Henry Terrault was surprised that the judges would choose him for this year's Citizen of the Year, but the citation which accompanied his nomination made it clear that he is indeed a most deserving candidate for the honour. Mrs. Ethel Cuts read the citation and Mayor Plain presents Mr. Terrault with the Chamber of Commerce annual trophy and the individual plaque award.

## Citizen of the Year Citation

The St. Albert and District Chamber of Commerce presents annually the Citizen of the Year Award to an individual who has, during the year, and over a period of years given distinguished service to the community. It is privileged to present the 1974 award to Mr. Henry Terrault.

Born in St. Albert in 1900 Mr. Terrault became a successful farmer in the Volmer district just north of the town, and was active in the numerous agriculture-oriented associations of his day. Of exemplary family life he and his wife Clara have three children of whom they may be justly proud. Now in retirement, Henry and Clara have not retreated to the

shelf for a well-earned rest, but continue active in a wide variety of community projects.

To enumerate a few of Henry's contributions to the town and district of St. Albert:

1. Henry is an active, loyal member of his church and parish, having served long on its board of trustees and currently as a member of the parish council.
2. He is a charter member of the credit union and was one of its first directors.
3. He was a strong promoter of the recently built central arena and helped in many ways in the building of that structure.
4. He is a charter member

## Kinettes ask help for Christmas hampers

The Christmas season is fast approaching, in all the hustle and bustle please take some time to remember the

Kinettes Christmas Hamper project.

Each year the St. Albert Kinettes distribute hampers to the less fortunate in our community. Last year 54 hampers were distributed. This year the Kinettes expect to deliver 60. Hampers contain various festive items including oranges, turkey, cheese, butter, pretzels, chips etc. You are urged to give generously for a worthy while cause and your pledge of cash, food, new clothing, or toys is requested. Teenage gifts are especially appreciated. If you are able to donate please phone - Nomi Hite at 459-6131 or Doreen Laurier at 459-8614. Or if you prefer mail a donation to - Mrs. N. Hite, 39 Geneva Cres., St. Albert.

## Shopping spree now on

Now that the Safeway strike is over, the St. Albert Kinettes will hold their shopping spree in the St. Albert Safeway, December 10 at 2 p.m.

Tickets for the spree will be on sale at the Safeway inside the door at the meat counter December 5 - 7 from 9 a.m. to 8 p.m.

The ticket draw will take place December 7 at 8 p.m.

## Town proposes developers share capital programs

St. Albert Town Council has made an initial move to incorporate a Social Development Contract into all tender agreements with developers. A move which will most certainly be viewed with trepidation by the huge development corporations holding extensive inventories of land in the town and adjacent areas.

Qualico Developments Ltd being anxious to proceed with Stage 3 and 3A in Akinsdale Subdivision were the first of the developers in St. Albert to be presented with the town's proposal for capital development programs, which would be entered into on a voluntary basis by developers.

Budget breakdown for capital expenditures over the next five years indicate that some \$14 million dollars will be required to serve the needs of residents in three areas: For Recreation and Cultural Facilities in neighbourhoods, for these kind of facilities on a Central or Town wide basis, and for Special Public Works facilities such as Town Hall, Fire Hall, Police Station which must expand to serve new subdivisions coming in.

Under the concept the developer will be responsible for recreational and cultural facilities for the complete neighbourhood being developed, and for a portion of the central recreation and cultural facilities and public

works program.

Detailed analysis of costs will not be completed for two months, but estimates prepared for the Qualico development in Akinsdale break down as follows: For Neighbourhood Recreation and Cultural facilities, \$350 per lot; for Central Recreational and Cultural facilities, \$150 per lot; for Public Works facilities \$500 per lot.

A letter dated December 3 from Mayor Plain to the Manager of Qualico; it was

noted that the proposals embody the following principles: (1) neighbourhood recreations and cultural facilities are the sole responsibility of the developer (2) central recreation; and public works facilities are the responsibility of three parties: the developer, the community as a whole and the Provincial and hopefully the Federal governments.

The neighbourhoods facility request of Qualico to serve Akinsdale would cost

\$350,000 and provide a meeting place, change room, wash rooms etcetera, consisting of two floors of approximately 1,200 square feet each, with two outdoor skating rinks and parking.

Akinsdale subdivision has 1,200 lots and will house about 4,400 people when completed in 1977 or 78. Two hundred lots have been developed in Stages one and two, with about half of stage two yet to be sold. This

## Lions sponsor Search for Talent show Saturday

The Lions Club of St. Albert is sponsoring the A.C.T.-CFRN Search for Talent show being held in St. Albert on Saturday at Paul Kane High School. The show will get underway at 7:30 p.m.

Registrations of entries are being accepted at Hackman's Music Shop and the Toronto-Dominion Bank in Grandin Shoppers Park.

The Associated Canadian Travellers of Edmonton organize and staff the shows, co-ordinate and (along with other fund-raising projects), administer the Northern Alberta Crippled Childrens Fund and Camp Hazelt Hope and Happiness.

CFRN will again tape the Search for Talent shows and air them every Sunday at

9:30 a.m. on radio.

The master of ceremonies duties will be shared by four members of the announcing staff of CFRN Radio: Ray Cote, Jim Craig, Graydon McCue and Nick Carter.

This year's crew will feature a completely new cast of entertainers. The vocalists will be Cindy Fraser, a six foot blonde from the Centennial Singers and Jay Phillips a young male vocalist with a bright future - both are from Edmonton. The bass guitarist will be Wayne Meekle from Edmonton and on the drums, Gord Hagar, recently arrived from Ottawa. These entertainers will centre their music around Lynda Riddell. Lynda

is a talented, well-trained pianist and vocalist. This cast will provide the spark for a full evening of family entertainment which is planned for each show.

## LAST CALL 1975 DIRECTORY

This is the last call for listings in the 1975 St. Albert Directory. New businesses and organizations in St. Albert should call 458-2240 or 459-6591 (evenings and weekends) if they wish to be included. The deadline is 6 p.m. Monday, December 9th.

## AROUND TOWN

The boys of 4th St. Albert Cuts will be calling at St. Albert homes on Saturday with candles for sale, an annual pre-Christmas project which helps them earn money for summer camp each year. The young fellows will really appreciate the support of residents, and will be starting their calls at 9 a.m.

.. ..

Continued from page 1.

here really work together we can bring more people in, and accomplish more." Dr. Cuts concluded his remarks by welcoming all present - "don't be shy - talk to the other guy," he said - "especially the ones you don't know."

Introducing Mayor Plain he said the job of the mayor is the most important in the town - he will be guiding what happens over the next three years - a big responsibility, said Dr. Cuts. I don't

## Henry Terrault

want to put him on the spot - but what about a swimming pool - soon?"

Mayor Plain said it gave him pleasure to attend the banquet - and he understood Bill Webber was handling the pool - I hope we could have olympic standards - our new recreation board will have some ideas. He felt the role of the Chamber was important as it deals with attracting industry, which would provide a source of employment, but not destroy the environment of St.

Albert. The job can be done and the further input of the Chamber in particular will be welcomed as we look at alternatives. The mayor concluded by saying he and Margaret were having a good time at their first Citizen of the Year evening.

Mr. Bill Webber was called upon to recognize the distinguished group of people who have been named first citizens over the years, noting that there are a great many people who have contributed greatly to our

district over the years. Dr. Wm. Cuts was introduced first - the Citizen of the Year in 1965. "I noticed a gap from 1965 to 1968," said Bill and jokingly wondered if perhaps the good doctor wouldn't relinquish his trophy. Lorraine Moore the 1969 Citizen was not able to be present and the others stood to be recognized: Marcel de Champlain, Father Duchesneau, Ed Savoie and Louise Rasmussen.

Following the reading of the citation and presentation of awards to Mr. Terrault, he received a host of congratulations from those present. The evening concluded with dancing till one o'clock.

of the St. Albert Knights of Columbus Council.

5. He is a shareholder and charter member of St. Albert's original Curling Assoc.

6. His greatest contribution over the years has been to the St. Albert and District Community League. A charter member when it was formed in 1939, Henry has been an executive member ever since, and has for some years been its president, including 1974. Not only did he assist with the organization construction and financing of the community hall, but during its bad financial years had faith enough to reactivate the league to suit the changing times and needs of Alberta's fastest growing community. The famous community league floats have always been great booster-promoters in Edmonton and other parts of Alberta.

Henry Terrault, as you

may guess was the moving spirit in creating both the ideas and the actual structure of these floats.

However, merely enumerating the organizations which Henry has served so well tells only part of the story. Much more important is the personality of the man - one who is vitally, enthusiastically and unselfishly interested in bettering the life style of his fellow citizens, or in giving a boost to the youth groups of this area; who does not mind donning a white jacket to personally do the "joe-boy" jobs involved in providing the hall for use of community groups; and finally one who will clout that white coat, size Clara from the checkroom and take a joyous whirl around the hall.

Yes, this is Henry the man - a senior citizen and a jolly good fellow. The Chamber of Commerce takes pride in presenting you with the 1974 Citizen of the Year Award.

## developers

Continued from page 1.

leaves 1000 lots to be developed with an assessment of \$350 per lot for the \$350,000 neighbourhood recreation centre. Stages 3 and 3A, next to be developed contain about 400 lots.

The thinking of council is that the neighbourhood facilities should be put in early in the development of a subdivision to serve the people as they move in, and not at the end.

"No doubt a portion of these costs will be reflected in higher housing costs" said Mayor Plain Tuesday. "However a portion must be borne by the developer. Some of these houses are selling at \$72,000 now. What we are asking is one and three-quarters per cent of the total selling price."

"We can never get complete equity" said the Mayor, but the original 20,000 residents should not

get creamed. There are profits being made and rates of return are up in housing annual reports.

In his letter to Qualico yesterday, Mayor Plain said "it is felt that any developer wishing to participate in this capital expenditure program should have the estimated costs per lot information before finalizing the sale of development of any existing lots presently contained within the corporation's inventory of serviced land in St. Albert."

"It is hoped," the letter concluded, "that your company will avail itself of the opportunity of participating in these or similar programs. Any comments, suggestions of discussion of alternatives is welcomed."

A copy of the letter was forwarded to the Minister of Municipal Affairs, Hon. Dave Russell.

# District 3 dicusses admin building - use of schools

St. Albert School District No. 3 regular board meeting was held on Monday, Nov. 25 and the meeting was opened by Mr. Sieve Sieben, chairman. Mrs. Elsie Lockert reported to the trustees that she had attended an A.S.T.A. Zone 2 meeting on Nov. 12. ASTA had arranged for re-

source personnel to attend the meeting to advise local trustees on financial matters with special emphasis on salary negotiations.

Mr. Ernie Howrish reported on behalf of the finance committee on the review of trustees' honorariums. The finance committee recom-

ended that the honorariums be reviewed by the committee of the whole.

Mr. G. Cherenko, architect from Workum, MacIntyre and Cherenko was present to discuss the inadequate cooling system which presently exists in the Administration

Building. Mr. Cherenko suggested that the board explore its future needs before deciding on a cooling system. He had several sketches on hand for possible additions or alterations to the Administration Building. A representative

from Vinto Engineering, Mr. J. W. Chomiak, was also present to propose two alternative cooling systems to the board. One proposed modification sought to enlarge the existing system and the other suggested an additional system to be located in the additional building if the board decide to build. Depending on the board's decision, work would take from a couple of days to two weeks.

It was the consensus opinion of the board that the Administration Building needed a more efficient cooling system and Mr. Sieben asked the central office staff to look into the projected needs of the Administration Building from a view to extensions or alterations.

Under correspondence items, a request from Mr. Kaminsky, principal of Father Jan School, for board support of \$100 for a band clinic for all band participants was approved.

Mr. Ted Baldwin, secretary-treasurer, requested approval to purchase industrial arts equipment based on the lowest bid. The board approved this request. An Application from the St. Albert Parish Council for a Christmas party to be held at St. Albert High School was also approved.

The regulations in connection with the extended use of school buildings were discussed by the board. At present, the regulations require that activities be of a non-profit, cultural, social or educational nature, which can be appropriate conducted in the space required. An activity must be such that commercial space is not available and that it does not involve the consumption of alcoholic beverages. A responsible adult must undertake to accept responsibility for the activity and the conduct of the participants, and the applicant shall accept responsibility for all breakages and damages. Lastly, the secretary-treasurer has the right to terminate an agreement in cases of negligence or abuse of premises. The ruling that commercial space must be unavailable became the main topic of the discussion. Mr. Peter Freeman said that he did not consider the board should be quite so restrictive and that he, himself, was not sensitive about competing with commercial space. He also questioned whether a short term insurance was available for property damage. After consideration, the board decided to delete the ruling concerning non-availability of commercial space.

## Architect meets with Board on Paul Kane addition

Mr. Jack Gardener, architect, attended the meeting of the St. Albert Protestant Separate School District No. 6 on Wednesday, Nov. 27 to discuss the plans for the addition to Paul Kane School. He said that there are various problems when add-

ing to a school. The recognition of need involves nearly every department and there has to be some shifting around of accommodation.

The board members studied the drawings of the addition and Mr. Gardener explained the outlines of the plan. The present plan shows very attractive long window for the cafeteria which drew some questions. Mrs. Shirley McCaffery said that although she liked the look of them, she had some reservations about them in the light of what was occurring in the district. She was also concerned that there was a jog-in, in the structure of the building, and that this type of area is also frequently subjected to vandalism.

Mr. Don Munro felt that the area referred to by Mrs. McCaffery would make an excellent student lounge and concession area if it were to be covered. Mr. Gardener said that if this area had ceilings etc., it would have to be counted as space although it could be used as a hallway.

In connection with the tendering for portable classrooms for the Lacombe Park community core school, Mr. Gardener informed the board that the Education Department had agreed to the tender submitted by Gendall Industries and that a contract was in the mail for the board members to sign. He also reported that the Lacombe Park school is now under construction.

Mr. Bill Webber, chairman, thanked Mr. Gardener for his time and Mr. Gardener left the meeting.

Mr. Munro, reporting on buildings and properties, introduced a request from the principal of Sir Alexander Mackenzie, Mr. Lowell Thronson, for three extra school keys for use by teachers. There was some discussion on this matter, the main concern being that with three extra keys in circulation, security would be lessened. Mr. Thronson was given the opportunity to state his case and he felt that the number of teachers in a school should be the deciding factor in determining how many keys should be made available. He said that a school with 37 teachers

should not be restricted to having the use of only three keys, the same number used in a school with fewer teachers.

Mrs. McCaffery asked how many problems arose in the past when all teachers had keys. Mr. Elmer Gish, superintendent, replied that there were more incidents of doors being left open. He did realize, however, that a shortage of keys could present a problem when teachers wished to enter school premises after hours to prepare work.

Mr. Webber thought the matter needed further review and referred it to the buildings and properties committee.

A letter from Mr. L. McKinsty, secretary administrator of the council, read requesting that the board establish a policy whereby any district student, who competes in a group or individual sport at the provincial level, be reimbursed fully by the board for principal-approved expenses relating to meals and accommodation, and that this policy also apply to the supervising teacher. Mr. Munro moved that the matter be referred to the finance committee for budget consideration.

In response to a request from Mrs. McCaffery, Mrs. Muriel Martin, assistant superintendent, presented a report on non-English speaking students in District 6 schools. Teaching non-English student represents a new dimension of the school curriculum and one that few staff members have had experience in terms of training or teaching. In an attempt to provide assistance to classroom teachers having major responsibilities with non-English speaking students, several steps have been taken including a meeting with the Department of Education for familiarization with available resource materials, personnel etc., teacher visits to view instruction and materials currently in use in Edmonton schools and duplication of the program materials.

Mrs. Martin said that the district teachers have been very innovative and have gone far beyond the suggestions they received from the Edmonton schools. Mrs. McCaffery suggested the board investigate the possibility of Federal Government grants to provide a teacher specially for the instruction of structural English.

Dr. W. Cuts moved that the board of trustees ask their chairman, Mr. Webber, to be their representative at the Citizen of the Year banquet sponsored by Chamber of Commerce on Nov. 30. The motion was carried. Mr. Gish reported that he had received a phone call

from Capital Cable T.V. asking if District 6 and District 3 were interested in putting together a combined Christmas concert to be taped and then televised several times over the local station. Mr. Gish had contacted the schools in District 6 and received a good response. Mr. Webber thought this an excellent venture.

Mr. George Hargreaves, secretary-treasurer, reported that he had received a letter from the town stating that December 5 was an agreeable date for a meeting between the town and the two districts.

The meeting moved to Committee of the Whole shortly after 10 p.m., where discussions are held in camera.

# Downtown parking proposal considered

The Committee of the Whole considered a letter from Mr. Norm Shalagan seeking the purchase of Lot 19A, a vacant lot on St. Michael Street, or failing that the purchase of the westerly 15 feet of the lot for parking purposes at their regular meeting on Nov. 25.

Speaking to the sale of the property, Mr. R. L. Byron, administrator, drew attention to an earlier recommendation from staff which stated that the land is too valuable to let go at this early stage in the redevelopment of the downtown area. He stated that a possibility to be considered is the conversion of the property to public parking which could be brought up at the 1975 budget studies. Mr. Byron also advised that the property be not considered for sale until such time as a general

plan of the area is established and other possible uses of the land in the area are determined.

Coun. Breadner moved that it be recommended to council that the town upgrade the property for off-street parking purposes and offer Lot 19A to Mr. Shalagan on that basis rather than sell the property.

Coun. Smith inquired if the intent was for the town to provide six or 12 stalls. Mr. Byron stated that the intent would be to create 12 stalls but it was recognized that the matter would be left until budget studies when alternatives, costs, and other related factors would be brought up.

Mayor Plain asked if the town would be absorbing costs and not realizing and return, either from leasing or other methods. Mr. Byron stated that the information would be provided at the time the 1975 budget studies are being conducted.

Coun. Thronson stated that when the matter had come up before it had been stated in principle that the property would be established as off-street parking as part of the town's downtown parking program. The Mayor asked if it was an open question if the town would realize some form of return on the capital outlay. Mr. Byron stated that this was still an open question which would be resolved when the matter was before the budget studies.

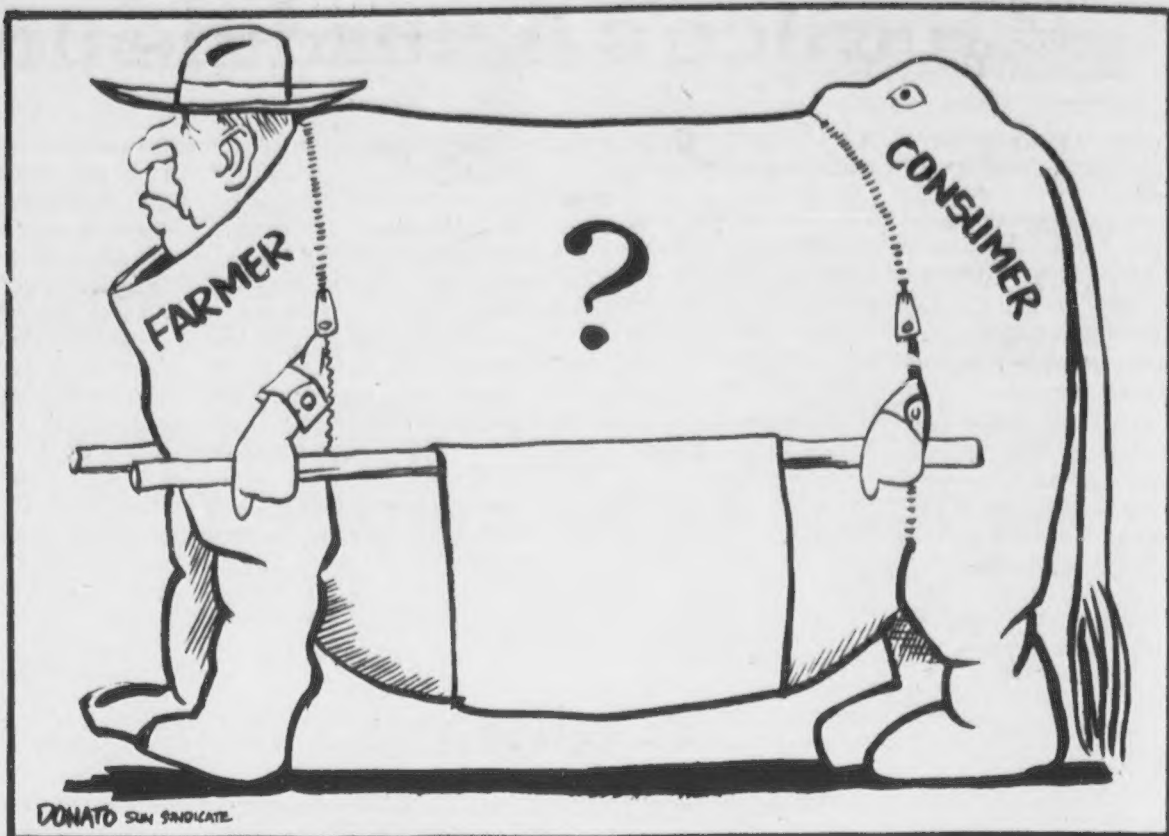

Coun. Breadner altered his motion to be that it be recommended to council that town upgrade the property for off-street parking purposes and the 1975 budget will consider the alternatives to revenue and costs. The motion carried 6 to 0 (Coun. Fyfe was not in attendance at the meeting).

## No more for Games - says ETA

The Edmonton Taxpayers Association will protest any move by the Commonwealth Games Foundation to request additional funds from the City of Edmonton.

We sent a letter Nov. 26 to the Council, said Gilbert Funk, President of the A.T.A., asking to appear before Council if such a request comes in from the Foundation.

"How many controls do you have on your TV set?"  
"Five... my wife and four children."

## to the Editor

### Vandalism

We have recently seen and read in the Gazette the damage which had been done to some property at Lions Park. It's indeed a shame to have things destroyed after the Lions Club gave of their time and effort to such a worthy cause. A park is there for people to

enjoy not to go and destroy.

In this day and age parents must do more than give their children money and material things. These young adults are looking for security - the only kind which lies beyond man in our day and age.

H. Martel,  
Grandin Park.

### Premier endorses safe driving

It is a pleasure to endorse "Safe Driving Week," which will be held on December 1 - 7, 1974, and to encourage Albertans and all Canadians to give their support to this

special week.

In sponsoring Safe Driving Week, the Canada Safety Council seeks to focus the attention of the public on the

problem of serious traffic accidents and fatalities and the precautions that might be taken to avoid them.

I hope that all drivers will heed this reminder to drive

with special care and caution not only during Safe Driving Week, but also throughout the whole year.

Peter Loughheed.

## Education Communications

November 27, "The Gazette Reflects," centered on the difficulties of getting parents and ratepayers more involved with educational matters. Because today's world is such a busy one we must concern ourselves to what extent and with which means we can improve communication.

Some Home and School Associations have not proven effective. Why? These could be a possible line of communication between parents and a local school. Prerequisites would be a group of interested parents able to function independently with clearly defined aims and objectives that are realistic and reasonable and truly an asset to the school. Problems here are lack of interested parents willing to commit themselves and the organization tends to rely on teachers who already have a large share of extra curricular items to deal with. Nonetheless, some Home and School Associations have met with success.

If parent-teacher interviews are not fulfilling a need for communication on pertinent matters perhaps they should be used as a means to establish rapport between parent and teacher and could be followed with more extensive communication.

The Gazette suggests more open board meetings. I was under the impression incamera sessions are quite rare. Some of the meetings perhaps are routine and might seem rather humdrum, but attendance at just one could give insights to the types of business and problems a board deals with. It is also a way to become acquainted with trustees and administrators. Perhaps there is a lack of advertisement. This is being rectified. Our next meeting is on Monday, December the 9th at the Central Office, 6 St. Vital Avenue at 7:30 p.m.

Should there be more public meetings to explain educational finance, curricula, and to receive input from parents? The "Annual Ratepayers Meetings" have a history of extremely poor turnouts. Why? Is it lack of interest, lack of time, lack of understanding the purpose of them, or a combination of reasons? Special meetings, at least, attract the interest of a few. On November 27 Albert Lacombe School presented a very informative and interesting evening on the religious program offered in that school. A great deal of time and effort went into the preparation and an excellent guest speaker was invited. Few would deny that the subject of the meeting was of tremendous importance. Albert Lacombe has a population of over 600 pupils (Grades 1 - 6) and yet less than 50 adults chose to attend that evening. I would also venture to guess that one-third of those adults were interested teachers from that school, and not parents of the students.

Besides joining educational organizations and attending meetings, means of communication can be established through the proper use of television, newspapers, newsletters and the telephone.

Somehow people directly involved in education -- administrators, trustees, teachers -- must make parents more aware. Even if there is no "public relations" committee in a school district, there still must be public relations.

If parents have the attitude that they have nothing to offer, that attitude must be dispelled. After all, they provide the children and the tax dollars.

Elsie Lockert, Trustee  
School District #3  
Grandin Park.

## POLICE BEAT

A seven year old boy from St. Albert caused quite a stir last week when he ran away from home. The event was reported on television and radio and when the boy didn't turn up RCMP had search groups out looking for the lost boy.

As it turned out the youngster wasn't found - he decided to call the whole thing off of his own bat and returned home one morning at 1:30 a.m.

An RCMP spokesman told the Gazette that apparently the young lad had just decided to call it quits, got whatever it was that was bothering him out of his system, then went home. The police spokesman said "I wouldn't have had the guts to do that when I was a lad of his age."

RCMP report this week that so far the ice on the Sturgeon River has been causing no problems to members of the skating fraternity, though they do warn people using the river for skating to exercise caution when they take a breath of fresh air on skates.

St. Albert RCMP also reported that they may have

to set up an anti-jaywalking patrol in the town, particularly to catch student offenders whom they singled out as breaking the law in this regard.

RCMP in St. Albert reported a rash of accidents in the town Monday owing to icy road conditions. A more serious accident occurred over the weekend just south of Morinville Sunday. A car spun off the main highway seriously injuring the sole occupant, a woman driver who was immediately admitted to the Sturgeon General Hospital.

As the Canada Safety Council is sponsoring Canada Safety Week December 1 - 7 RCMP said they would be out trying to enforce the highway code during the safety period.

St. Albert RCMP said that in the week of November 25 - 29 they received 82 complaints of a general nature and they had to deal with 18 accidents in the locality. The complaints registered were of a light nature from family quarrels to wilful damage and egg-throwing - even though we're well past October 31.

# Qualico's Akinsdale under discussion

Qualico's Akinsdale Development was the topic under discussion at a special in-camera meeting of Council Committee of the Whole held November 19. Messrs. Y. Chui, J. Sribney and George Walker represented Qualico to discuss the development and answer questions.

Mr. Chui explained that the planning of Akinsdale has been going on since 1971. A 1971 receipt of the alignment of the ring road outlined the southerly boundary of Akinsdale and approval to begin development of Akinsdale was given

in late 1972. Qualico he noted, has oversized services for an area greater than Akinsdale. Total Qualico land holdings are 655 acres and a performance bond for 1.2 million dollars has been posted for Stage 3. The heavy financial commitment, outlined in a brief submitted to the committee, is based on belief in good faith that Akinsdale would be developed in accordance with good planning. Mr. Chui asked that the start on underground services be made in the winter of 1974.

Mr. Sribney advised that a

financial commitment exists with over \$1 million invested not including the price of raw land. He stated that Qualico was prepared to hold back on occupancy until the proposed water line is in and not to allow occupancy until the roads are complete. A written submission was forwarded to this effect.

Mr. Walker suggested that a list of priorities be drawn and a shift of monies to other areas. He said he did not wish to see St. Albert give up on single family dwellings but stated there should be a review of priorities to ensure

dollars spent now are used to maximize benefits to future residents. He suggested curb line walks and lots of 52 feet in width with a site area equal to or not more than one per cent below that provided in a 58 foot lot. Also suggested was a modified zero lot line and side yards designed to allow adequate fire separation and a driveway access of 10 feet. The suggestions would lead to an increase in lot yields (by 10 per cent) without increasing servicing costs.

Also suggested was the elimination of sidewalks in

purely residential streets in Stages 4, 5 and 6 of Akinsdale which would result in a savings of approximately \$250,000. Assuming curb line walks, zero lot lines and removal of sidewalks, a savings of \$470,000 to \$565,000 could be realized for community facilities.

Mr. Sribney replied to enquiry on an industrial park, proposed for the area but awaiting direction from council, stating that the park would not harm marketing of houses and rather, it would help tremendously. He pointed out that a buffer of 220

feet would exist between residential and industrial uses.

A request was made by the Committee for Qualico to supply a sketch of land holdings and servicing area. An estimate of the population on completion of Stages 2, 3 and 3A of the area was stated to be approximately 2000.

Mr. Sribney advised that house costs were increasing at the rate of 1 1/2 per cent per month. Another in-camera meeting was scheduled for November 26 on this topic.

## Okerman - Stacey Wedding

MR. & MRS. KENNETH OKERMAN

Westminster United Church of Edmonton was the setting of a pretty fall afternoon ceremony uniting

Carolynn Stacey daughter of Mr. and Mrs. William Stacey of Edmonton and Kenneth Okerman, son of Mr. and Mrs. Gunnar Okerman of R. R. #2 St. Albert, in a double ring ceremony, officiated by Reverend Dave Beckwith.

Escorted down the aisle by her father, the bride looked radiant in her full length gown of white silk jersey, featuring a high neckline, lace yolk, long sleeves and a train, trimmed with lace. Her waist length veil, edged in matching lace, was held in place by a Juliette cap. She carried a bouquet of coral roses and brown tone mums.

Bridal attendants were Marg McLain (maid of honour), bridesmaids Brenda Stacey (sister of the bride) and Linda Meyer. They wore identical gowns of coral

polyester with short puffed sleeves, and carried bouquets of coral and brown mums.

The groom wore a grey tuxedo with white shirt and a coral rose boutonniere. The groomsmen (in grey tuxedos with coral shirts and a coral boutonniere) were Colin McLay, Lorne Okerman (brother of the groom) and Brian Meyer. Ushering the guests were Ken Majeau and Ernie Korinowski.

To greet the guests, the bride's mother chose a floral formal in tones of brown, gold and rust, with a corsage of yellow roses. The groom's mother chose a formal of turquoise with self trim. Her corsage was yellow roses.

A banquet was held at the

Purple Dude banquet room. The head table was centered with a three tiered wedding cake and bouquets of fall colors. Seated at the head table with the bridal party were the bride's grandmothers, Mrs. Katherine Hunter, Mrs. Mildred Stacey and the groom's grandmother Mrs. Gwladys Boshier.

Master of ceremonies was Mr. Larry Stacey (uncle of the bride). Grace was said by Mr. Stu Switzer. Mr. Sam Brenton (uncle of the groom) proposed the toast to the bride. A dance followed for approximately 250 guests.

For their going away the bride chose a pant suit in light blue with dark blue fleck and a corsage of coral roses.

Out of town guests were Mr. and Mrs. Dennis Stacey, Mrs. Gus Clark, Mrs. Lloyd Clark, Miss Judy Clark, Mrs. Marg Lloyd, Mr. and Mrs. Merv Brown, Miss Rhonda Okerman and Mr. and Mrs. Dennis Reitan all from Calgary. Mr. and Mrs. Larry Stacey of North Battleford, Sask., Mrs. Alvin Okerman, Assiniboia, Sask., Mr. Les Okerman, Vernon, B.C., Mr. and Mrs. Len Clark, Smeaton, Sask., Mrs. Violet Lundell, Regina, Sask., Mr. and Mrs. Harold Gjerson, Lucky Lake, Sask., Mr. and Mrs. Paul Reitan, Congress, Sask., Miss Sonya Lundell, Winnipeg, Man.

Mr. and Mrs. Okerman will make their home in Edmonton.

## Cine - Chautauqua offers something new

A Cine-Chautauqua is a unique experience in entertainment and audience participation. As with the old chautauqua's that used to tour the small town circuit in Alberta in the 20's and 30's, the best in music, drama, art and the newest in scientific

discoveries are brought together in a community forum where every man is able to say his word. The most recent National Film Board productions are teaming up with local residents who have been active in the areas that the films describe. The result

is a three-ring circus in which a man can meet his neighbours and share a good conversation over a cup of coffee.

Cine-Chautauqua is brought to you by the National Film Board through the co-sponsorship of the St. Albert Community Cinema and the St. Albert Public Library.

The Flight of the Performing Arts in St. Albert will be the theme of the next Cine-Chautauque, December 5 at 8 p.m., in the Sir Alexander Mackenzie school.

Teamed up with the St. Albert performers are the following films:

Goodbye Sousa is the story of the Newmarket Citizen's Band, the band's activities and what it means to the town. The members are mostly tradesmen but when they march down the streets in their crimson uniforms, there is a glow in every heart.

Alegria. Guitar making is more than a manual art. From the time the guitar-maker picks out the first flimsy boards to the moment when a musician fondles the finished instrument and plucks the untuned strings, the work has possessed the craftsman.

Street Musique is a happy animated response to the music played by a group of street musicians.

Coffee is free and everyone is welcome.

A Grade five student (centre) ponders over an offer, during the toy and skate sale at Lacombe School.

Mrs. Judy Wood obtains change from Mrs. Terry Binette (left) for some hard bartering at Lacombe School's skate and toy sale.

## S.A.M. plans Christmas concerts

Sir Alexander Mackenzie School will hold two Christmas programs again this year, in order to accommodate all parents. Grades 1-3

will present a choral evening in the school gym Dec. 10, beginning at 7:30 p.m. Afterwards parents and students will be invited to view

Christmas decorations in the corridors and enjoy refreshments and Christmas baking. Grades 4-6 will present their choral program on Thursday, Dec. 12 with similar arrangements afterwards.

The school is also supporting the Kinettes Christmas Hamper Bureau for needy families in St. Albert and

children may bring White gifts of tinned food, toys and so on to place beneath the school Christmas tree, the only kinds of gifts being accepted under the school tree.

Students will be dismissed for Christmas holidays on Friday, December 20, to return on January 6.

## Name a school

The school trustees of district #6 have requested the school names committee to arrange a competition within the district to name the new community core school presently under construction in the Lacombe Park area. A suitable prize will be awarded to the winner

and the deadline is Dec. 31. The competition is open to students, parents and supporters of the school district #6 (Protestant).

## Nickerson students have week at Sundre

St. Albert P.S.S.D. #6 operates a special outdoor education program at the grade 6 level throughout the district. Last year the Leo Nickerson students enjoyed an excellent week in June at the Inter Varsity Christian Fellowship Camp at Sundre, Alberta. Initial arrangements have been made for a similar program this year.

The cost will be somewhat higher as it is with everything else but the students are confident that the students can raise their share of the funds required. The government Educational Opportunities Fund finances part of the program.

On December 4, Wednesday evening, and again on Saturday morning, December 7, the students' union members grades 4, 5 and 6 will be canvassing St. Albert door-to-door with boxes of chocolate mint-thins for sale, the proceeds to go toward outdoor education and other students' union projects.

In addition, tonight and on Saturday morning, as they sell their mints, the student canvassers will be asking for Campbell Soup labels in a final effort to culminate a tremendous drive undertaken by the whole school to earn a carousel slide projector and a number of badly needed soccer balls for their school. The students are hopeful that people will have one or more labels ready for them.

## School sale goes well

Barter, trade and sell... it's your deal! Many camels have crept under the tent since such good bargains were available. A used skate (and toy) sale was held at the Albert Lacombe school the evening of November 26.

Parents, children and teachers got involved in the sale

of a mosaic of used toys, games and skating equipment. The evening, under the direction of Mrs. Judy Wood was held with the objective of obtaining funds for outdoor education equipment.

From all reports received, the evening was both successful and entertaining!

## Fund raising day at Lorne Akins

On Friday, December 6, each of the classes at Lorne Akins will be operating some kind of fund-raising game or activity for all of the students and interested parents that would like to join us. Each class has designed their own activity. There will be a haunted house; hockey score contest; dart throw; mini-golf slave auction, bake sales, raffles, sponge throwing

contest and many others. The games usually are very unique and are lots of fun. The proceeds go towards the many students union projects e.g. sponsoring the foster child from Korea, club sponsorship, etc.

The activities will be taking place in the gymnasium from 2:30 to 4:15 p.m. Parents are welcome - COME AND JOIN US.

## Horsemanship Course

EQUESTRIAN MANOR LTD.

is offering a Horsemanship Course, which will start December 10, 1974. Course will consist of lectures and practical. Veterinarian and Ferrier will be in attendance. Phone 799-3032 or 799-3537 to register. Only eight will be accepted for this course.

# Parents have a "metric" PTA meeting

It was a PTA meeting with a difference November 28 at the Leo Nickerson school when things went metric overnight.

Supervisor of Math and Science instruction with the St. Albert Separate School Board No. 6 John Curilla really socked the metric system to the 30 or so parents who turned out to the regular PTA meeting last Thursday night telling them that since the metric system was coming by 1977, now was the time for them to get to know what their kids would be taught about it in the schools.

For the kids it looked as if it would be fun, judging the way their parents played with the teaching aids which would help the youngsters of

the future overcome their fear of the unknown (the metric system) as it gradually displaces the Imperial system of 16 ounces to one pound and 1720 yards to the mile by the late seventies.

Mr. Curilla gave an interesting account of the metric system which in the main looks as if it will have decided advantages over the present system of weights and measurements.

He pointed out some of the more obvious changes as Canada changed to the metric system.

Gals on the beach would no longer be 36-22-36 but 90-60-90 as inches changed to centimeters. And for females who think they're getting a bad deal with this change, they can take conso-

lation when they weigh themselves. For the scales will show them at a mere 60 (kilograms) when formerly the scales would register at 110 (pounds). Road hogs on the St. Albert Trail who like to go at break-neck speed can imagine they are at Le Mans race track when they head north at 90 (kilometers) per hour, instead of 50 (miles) per hour.

But it'll be the end of two by fours as the construction industry moves metric and these measurements are transformed to 55 x 100 (millimetres).

Mr. Curilla pointed out to the meeting that the real advantages of the metric system will be felt in manufacturing and industry. He said that at the moment there were 1500 different sizes of windows for both high rises and cottages and that these would be brought down to 150 when the system went metric.

He also pointed out that under the Imperial system of measurements, there were many varieties in the pitch sizes of nuts and bolts - 60 different varieties and these would be reduced to a mere nine.

Mr. Curilla told the meeting that one reason why Canada had decided to go metric was because two American motor companies have saved millions of dollars following the first six months of the change over to the metric system.

"Ford has a metric plant in Ohio," he said, "and General Motors have put \$2 million into developing a metric motor."

Briefly skimming the history of the metric system, Mr. Curilla said it had begun in France in 1795 becoming legal in Canada by 1873. The Federal Government then declared an official policy of metrication in 1970.

He then said that as soon as a person got to know the pre-fixes of the metric system - kilo for 1000 times larger than, hecto for 100 times larger and deca for 10 times larger, then milli for 1000th of, cent for 100th of, deci for one tenth of - you understand the entire system.

He pointed out that the metric system was also a decimal system depending on the movement of the decimal point for a change in values. For instance 163 cents can become \$1.63 simply by placing the point after the one; 163 centimeters becomes 1.63 meters following the same system.

While many of the changes will not prove that drastic - two quarts will even out to two litres - housewives might find themselves hit by having to buy metric cups, spoons and cookbooks.

As one parent pointed out when leaving the meeting, "Maybe the change will be all right for the manufacturers, but what happens when we have to buy the curtain rods and curtains which go with the new specifications?"

However, Mr. Curilla certainly succeeded in making the metric system sound fun for the kids anyway. Teachers he pointed out would have to make the system relevant to their own experience. For instance, a millimeter, they would be told,

was the thickness of a dime, a centimeter, the thickness of a man's little finger, a decimeter, the width of a hand and a meter, half the height of a door.

Games were introduced to the parents which were designed to bring the metric system over to the youngsters in a fun way.

One game consisted of a millimeter code box - five millimeters being the letter G, 10 F and 20 T and so on. Beneath the code box, there were a number of vertical lines each of different measurements. If the code is applied to each line, the line becomes a letter of the alphabet and the lines in turn are seen to be a message. One "mystery millimeter message" deciphered in this way actually reads "Measuring is fun."

Another more simple game called "Computing with Kilometers" was in the form of a road map. One centimeter equalled 25 kilometers and by using the centimeter ruler supplied with the game, the child could measure the distance between say Red Deer and Calgary, about six centimeters on the map and so 150 kilometers in actual distance.

Mr. Curilla said that the metric system has already caught on in one St. Albert high school and as the new system gradually percolates into the lower grades, they'll have no problems with it as they grow older and their studies become more advanced.

AFTER A PTA meeting at the Leo Nickerson School last week about the metric system and how it will affect the kids, teachers and parents went metric. Here math and science teacher at the school Kay Gafuik stoops to measuring the hallway with a wheel which measures out one meter per revolution, then clicks to a halt.

## Hunka defeats Gervais 5-4 to pick up \$3000

The main event final of the St. Albert Invitational Cash Bonspiel featured one of the finest curling matches ever played on St. Albert ice as the Hunka-Gervais rinks battled to the wire for top prize of \$3,000.

Final score was 5-4 for 12 ends and Ken Hunka had to come through with a perfect draw for his final shot to score the win.

The first, third, fifth, seventh and ninth ends were blanked with singletons scored alternately on the 2nd, 4th, 6th, 8th and 10th. The Hunka team stole one on the 10th to lead 3-2. Like the veteran competitor he is, Gervais came through with

two in the 11th to go ahead 4-3 but facing the hammer on the way home.

Tension was high in the final end as spectators watched some perfectly executed shots from both rinks and enthusiastic applause acknowledged them. Hector's last shot called for a come around tap up into the four foot. The tap fell just short, leaving a Hunka stone still counting.

Hunka's only play for the needed second rock was a draw to the button and he repeated what he had done in the fourth end, a perfect draw shot.

First prize of \$3,000 was awarded the Hunka Rink;

\$1,500 to Gervais Rink; \$600 to Bill Mitchell rink; \$600 to Marv Porowski rink; \$150 to Hilton rink; \$150 to Lionel Wood rink; \$150 to Rick Cust rink; \$150 to Jim Kosh rink.

The Ernie Bird rink of Edmonton won the consolation event defeating Brent Hodgins rink of St. Albert. Bird rink received \$200 and \$100 to Hodgins rinks.

Sponsors were assigned a rink by a draw arrangement from the 32 entries and winners were as follows: Day's Painting Supplies of Morinville won \$400; Butt's Auto Body of Morinville won \$200 and Osborne's Real Estate of Edmonton and Premier Esso of St. Albert won \$100 each.

Ken Hunka made a \$1,500 draw to the button with his last shot of the final to defeat the Hec Gervais foursome and win the \$3,000 top prize in the St. Albert invitational cash bonspiel Sunday night. Brent Hodgins, president of the curling club congratulates Ken and his rink and presents the big cheque. From left Brent, Ken, George Hunka, Jim Semeniuk and Jim Hunka.

## Badminton tourney draws 95 entries

St. Albert Badminton Club held its annual Invitational Tournament on November 22 and 23 at the high school. Ninety-five keen competitors from most of the clubs in the Edmonton area were entered in the seven events for "B" and "C" players. The two day event saw several monumental battles but no one will forget the classic between John Murdoch and Marian Meyers in the double elimination Ladies Singles event. Over the course of the event JoAnn and Marian met three times with JoAnn emerging the eventual winner of the event by defeating

Marian twice back-to-back matches in the final. Both girls were involved in finals of other events at the same time which made the endurance contest even more amazing.

On a club basis, event winners were distributed fairly evenly with two wins each for Northgate, Kingsway and Southgate, while the host club, St. Albert, collected the hardware in one event.

Event winners were: 'B' Men's Singles - Martin Shostak of Kingsway over Dave Cote. Consolation - Michel Lebel of U of A.

'B & C' Ladies Singles - JoAnn Murdoch of Southgate over runnerup Marian Meyers of Kingsway.

'B' Men's Doubles - Bob Sage and Miles Pratt of St. Albert over Ron Kincade and Ray Nelson. Consolation - George Low and Vincent Mai of Kingsway.

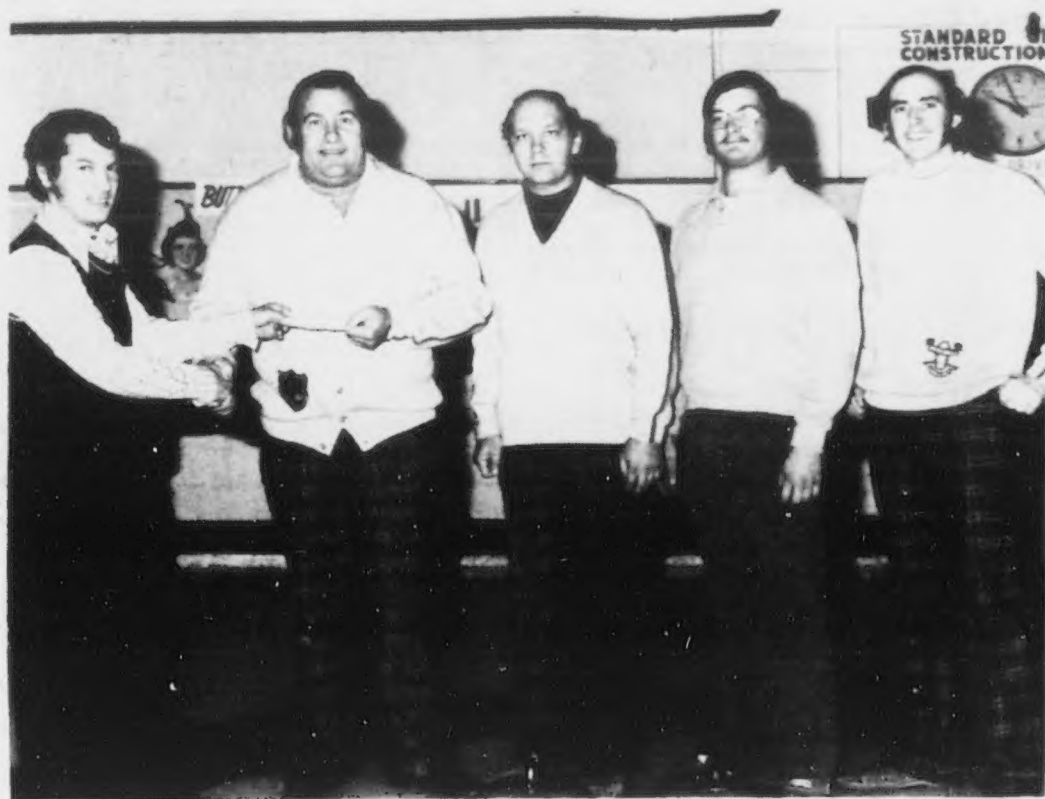

'B & C' Ladies Doubles - Marian Meyers and Olga Dochnij of Kingsway over Cathy Dilts and Karen Haak. Consolation - Sharon Marchand and Doreen Golden of St. Albert.

'C' Men's Singles - Perry Pepin of Northgate over Dave Cook. Consolation - Vern Kratzer of Northgate.

'C' Men's Doubles - Perry Pepin and Peter Skwokoda of Northgate over Vern Kratzer and Herb Kostler. Consolation - Ron Thompson and Wade Sales of Northgate.

'B & C' Mixed Doubles - Ron Kincade and Kathy Lefevre of Southgate over Nareesh Sharma and JoAnn Murdoch. Consolation - Bob Sage and Sharon Marchand of St. Albert.

Our thanks to all players who participated and we look forward to seeing them back for next year's tournament.

Hec Gervais skipped his foursome to second prize of \$1,500 in the invitational bonspiel held in St. Albert the past week. Hec, who had second last shot of the spiel, failed to move the Hunka rock in the four foot back the necessary six inches to take over shot rock leaving his stone second. Ken Hunka drew the button for two and won the close match by a 5-4 margin. Roger Comeau is seen above congratulating the Gervais rink. Roger is a member of the executive and he and Barry Weaver organized the bonspiel. Left to right: Roger Comeau, Hec Gervais, Ron Anton, Rick Niven, Darrell Sutton.

## KINSMEN MINOR HOCKEY

### MINOR HOCKEY

Action in the Mite A division of the Kinsmen Minor Hockey got underway last week with three games being played.

Ron Hesse scored all four goals for the New Holland Combines as they shutout the Karpet Kings 4-0. Leo Pasth was in goal for the shutout.

The Magnetos scored a close 3-2 win over the Meatballs. D. Bennett, S. Grant and R. Fawick scored for the winners while Banks scored both Magneto's goals.

St. Albert Warriors received a two goal performance by John Hartly to defeat team 7A by a 4-3 score.

Dean Clark and Darryn Ernst scored the other goals for the winners.

Ken Kowalshyn, John Leny and Rod Sopiwyn scored for the losers.

### PEEWEEES

In peewee action teams 1 and 2 tied one all. Mark Burry scored for team 1 and Miron Polis scored for team 2.

### SHAWERS

A number of games were played in the shaver division. Wilf Kieser scored seven goals to lead the Bruins to a 9-4 win over the Wolves.

Emmanuel Vivieros scored five times to lead the Beavers to a 14-2 win over the Giants.

Gary Smith, Dave Magdaliniski and Jeff Hebrer scored two each in giving team 4 an 8-2 win over team 10.

Michael Pallin scored a hat trick in the Saints 5-1 win over the Hornets.

Todd Carnely and Billy Mitchell scored a pair of

goals each in the Cougars 6-3 win over the Broncos.

S. Gosse and K. Sharf scored four goals each to lead the Canadians to a 14-5 win over the Tigers. Wes Litke scored four goals for the Tigers.

## Bowler of the month

Bowler of the Month tournaments held in October and November saw 15 youth bowlers from Grandin Bowl qualify for the Bowler of the Year championships to be held in Calgary.

These are: Tammy Pavelick, Stacey Feniak, Tammy Talas, Todd Brock, Shannon Morgan, Liza Kutzner, Andy Graham, Kelly Stauffer, Dianna Vincent, Larry Schuchard, David Scharf, Kim Bittman, Teresa Stehno, Doug Vincent, Mark Dobko.

The volunteer help of scorekeepers and mothers who provided lunches for the tournaments was much appreciated and the supervisors would like to wish all the young bowlers good luck at Calgary.

## Combines humble Leduc PeeWees 12-3

St. Albert Peewee Combines ran all over the Leduc Elks Saturday in a 12-3 rout that saw Captain Troy Murray score three goals and add three assists. Kevin Jackson, Keith Heyburn, and Danny Laplante each picked

up a pair with singles going to Sammy Gramlick, Paul Kelly and Brad Scott.

St. Albert picked up all three penalties called, the first of which resulted in Heyburn's shorthanded goal.

# ★ ★ ST. ALBERT ★ ★ RECREATION REPORT

### PARKS & RECREATION BOARD

At a recent meeting of council, the following were appointed to the St. Albert Parks and Recreation Board: Mrs. Barbara Munro, Messrs. Dale Bjornson, Lorne Wood, Gerry Ladd, Keith Hamilton and Ken Foster with Councillor Barry Broadnax (Councillor Rod Thronson as alternate) representing council.

Members will be holding an organizational meeting on Wednesday, December 3 at which regular times for meeting will be decided.

Comments and suggestions will be welcomed by the Board and may be sent, in writing, to the Secretary, Mr. Bernie March, Director of Parks and Recreation, Town Hall, St. Albert.

**FIGURE SKATING**  
The sub-sectional figure skating competition hosted by the St. Albert Figure Skating Club last weekend was, according to impartial observers, one of the best organized and smoothest-running of any held so far. This was entirely due to the extremely hard work on the part of Mrs. Marg Joyal, president of the local club, and her executive. All who helped are to be congratulated on the excellent results of their efforts.

### ARENA SKATING

Public skating sessions are held at the following times: Wednesdays, 7 - 8:30 p.m.; Saturdays 8:30 - 10 p.m. and Sundays from 2 - 4 p.m. with admission fees of 75¢ for adults; 35¢ for students and 25¢ for children.

Mum and/or dad have the opportunity on Wednesday from 10:30 - 11:30 a.m. to show their really small fry how to skate at a special session for parents and pre-schoolers. The cost for this session is 25¢ per person.

On Friday, December 6, the St. Albert Comets play Sherwood Park and on Sunday, December 8, Wintertown. Both games will be played in the arena at 7:30 p.m. on each evening.

**ARTS & CRAFTS**  
The next session of classes sponsored by the St. Albert Arts and Crafts Guild, in co-operation with the Department of Parks and Recreation, will start during the first week in February. Registration will be held in January, dates, times and location to be announced. There is no pre-registration.

**SQUARE DANCING**  
The local square dance club, the St. Albert Saints and Sinners, will be dancing at the annual toy dance at

Ross Sheppard Composite High School on Saturday, December 7 and not in Sir Alexander Mackenzie School

**CHESS**  
The St. Albert Chess Club meets each Wednesday evening at 8 p.m. in Mission Clubhouse, Mission Avenue.

For information about the club phone Stuart Embleton at 459-8937 or Lawrence Jones at 459-8931.

**BLUE LAKE CENTRE**  
Interesting courses in a wide range of outdoor activities are held most weekends at the Blue Lake Centre (near Hinton).

Information about the courses - wilderness survival cross-country skiing, canoe construction, etc. is available at the office of the Recreation Department.

### SWIMMING

A seminar on teaching swimming to the physically and mentally disabled will be held on Sunday, December 8 from 9:30 a.m. - 5:30 p.m. at the pool in the Glenrose Hospital.

Information about the seminar, for which a nominal fee will be charged, is available at the Recreation Department. Dual certification will be available if participants stay till 6:30 p.m. for a lecture on Red Cross - R.L.S.S.C. policy and procedure.

## Register for POWER SKATING

SECOND 10 WEEK SESSION  
\$7.00 FEE \$1.00 FAMILY MEMBERSHIP

**Saturday, December 14**

10 - 11 (SKATERS NOT IN 1st SESSION)  
11 - 12 (SKATERS CONTINUING TO 2nd SESSION)  
AT GRANDIN CLUBHOUSE

## Get ready for winter with this 14 point winter tune-up package.

Now's the time to tune up and be one step ahead of 'Old Man Winter'. And this Winter Tune-Up Package from Gulf is just the way to do it. Parts and labour are included in

the price and it's all covered under the Gulf dealer guarantee of 90 days or 4000 miles, whichever comes first. So don't be left out in the cold, make an appointment today.

### Here's what we'll do:

- |  |   |   |
|--|---|---|
| 1 Ignition system analysis.                                  | 6 Adjust carburetor.                            | 10 Test and service battery.                              |
| 2 Lubricate heat riser valve.                                | 7 Inspect air cleaner element.                  | 11 Check and record compression.                          |
| 3 Supply and install new points and condenser.               | 8 Examine positive crankcase ventilation valve. | 12 Examine rotor, distributor cap and high tension wires. |
| 4 Supply and install new spark plugs. (Resistor plugs extra) | 9 Inspect all belts and hoses.                  | 13 Test and record freezing point of radiator coolant.    |
| 5 Adjust dwell angle and timing.                             |   | 14 Final ignition system analysis.                        |

THANK YOU SPONSORS  
FOR YOUR GENEROUS HELP

## St. Albert hosts figure skating event

**JUVENILE "A" Ladies** - Elizabeth Mallen, Royal Glenora Club; Cornelia Praetzel, Derrick Figure Skating School; Sarah Wilson, Royal Glenora Club.

It was an exciting weekend at the St. Albert Arena, scene of the Edmonton Zone, Sub-sectional Figure Skating competition.

Eighty-seven skaters from Edmonton, Sherwood Park, Nampa and St. Albert figure skating clubs took part in Figure and Free Style events. Several hundred spectators enjoyed the performances of many talented skaters.

This was an ambitious undertaking for our figure skating club, but much credit for its success is due to the outstanding co-operation of both the Town's Recreation Department and the Arena staff. The parents of our figure skating club members

also deserve thanks for their generous contribution of food for the 25 judges and many other people working on this competition. The winners of the events are as follows:

### NOVICE LADIES

Robyn LeRiche, Royal Glenora Club; Joanne McLeod, Royal Glenora Club; Terry Heatherington, Royal Glenora Club.

### PRE-NOVICE

Melinda Johnson, Royal Glenora Club; NoREEN Humble, Derrick Figure Skating School; Kim Croy, Gateway Figure Skating Club.

### JUVENILE "A"

Elizabeth Mallen, Royal Glenora Club; Cornelia Praetzel, Derrick Figure Skating School; Sarah Wilson,

### Royal Glenora Club JUVENILE "B"

Susan Wozny, Edmonton Figure Skating Club; Kiri Edwards, Aurora Figure Skating Club; Joan Pare, Ptarmigan Figure Skating Club.

### JUVENILE "B" MENS

Paul Bernard, Edmonton Figure Skating Club. The winners of all but the Juvenile "B" events will now go on to compete at the Sectional competition which will take place on Dec. 12, 13 and 14 at the Nait Arena.

Visitors to the competition had warm praise for their St. Albert skaters. The organized competition which was run off with exceptional smoothness.

**NOVICE** - Robyn LeRiche, Royal Glenora Club; Joanne McLeod, Royal Glenora Club; Terry Heatherington, Royal Glenora Club.

head, has not given up a goal. White, who was beaten for all five Barrhead goals, had little chance on four of them, and absolutely no chance on the two Juvenile

counters.

Four penalties were called against each team in the Enoch match, while the Barrheads took 13 of 21 against the Juveniles and 11 of 20 against Barrhead.

## Juveniles crushed 9-2 by Edmonton Motors

On Friday, Nov. 29 the St. Albert Juvenile representative hockey team played host to Edmonton Motors of the Edmonton Juvenile AA League.

The Standard General sponsored St. Albert team wasn't helped by the fact they were wearing their new crests on their uniforms as they went down 9-2 at the hands of Edmonton Motors.

St. Albert spotted Edmonton four goals before scoring their first midway in the second period. The score then went to 7-1 when St. Albert scored their final goal at the five minute mark of the third.

Scoring for St. Albert were Chris Hoffart and Jeff Holden. Kris Nickerson and Keith Logan split the goal-tending duties.

## Sportshop Barons Midget Hockey

Goaltender Dennis LaFleur's shutout coupled with leftwinger Paul McCann's hatrick, Monday propelled St. Albert Sportshop Barons to a 9-0 win over Enoch.

The well deserved Barron victory followed a disappointing 5-4 loss to Barrhead midgets Friday in Barrhead, and a 5-2 win over a St. Albert juvenile house league team two days earlier.

The latest win left the Barrons with six victories in 10 outings in exhibition hockey, and made up for a 5-3 loss the Barrons suffered to Enoch earlier in the season.

The hustling Barrons were full credit for the win, as they

outright and outshot Enoch in the Enoch arena. The two teams were scoreless after the opening period, but broke the game wide-open with give goals in the second.

Lloyd Olson added two goals for the winners, while singles came from Rod Otten, Dave Shipanoff, Gilbert Longpre, and Dave Kieser. The Barrons outshot Enoch 38-19.

The win was a vast improvement for the Barrons, after having suffered a humiliating loss to Barrhead in Barrhead.

The hometown Barrhead midgets, only on ice for the fourth time in the season, racked up five successive

goals by the midway mark of the second period, and were full value for the lead.

Blake Milroy started the Barrons back with six minutes remaining in the middle period, and a minute later linemate Rod Olsen cut the margin to 5-2.

Red Olson's second goal of the game at the midway mark of the third period cut the lead to two goals, and captain Terry Leddy rounded out scoring with two and one-half minutes remaining in the game.

Against Doug Foreman's juveniles one week ago, the two clubs played to a scoreless first period, before Dave Kieser broke the

second period wide open and three successive goals, including two within three seconds.

Lloyd Olson and Ron Sander picked up singles in the second, to give the Barrons a 5-0 lead going into the third period.

With the Barrons playing two men short Glace broke LaFleur's and Wayne White's bid for a shutout with just over two minutes gone, and 45 seconds later Smith picked up the second Juvenile goal while playing even strength.

LaFleur, during his 30-minute stint against the Juveniles, and during the last 30-minutes against Bar-

# Harlem Comedy Kings coming next week

The Harlem Comedy Kings will be playing the St. Albert High boys team at Vital Grandin Gym, 8 p.m.,

Tuesday, December 10. Tickets available at the door or in advance at St. Albert High.

The Harlem Kings basketball team, touring Negro laugi makers are travelling again this season to entertain fans with their skill in basketball.

Billed as the funniest basketball team in America, the Kings are a combine of Hoop Stars who tour the country making people laugh.

When some of the names of laughmakers are mentioned, hoop fans get ready for an evening of entertainment. The fans come out to see a fancy exhibition of razzle-dazzle, ball handling, intricate routines, both planned and impromptu comedy and all sorts of shenanigans.

The Kings are unique in the fact they never try to run up a huge score against opponents. It has been their policy to keep the game

even, devoting much of the time to comedy stuff and ball handling routines. There are times naturally when the Kings have to extend themselves. If the home team is exceptionally strong or gets "Hot" the Kings have a ball game on their hands. Then you see some real action as well as comedy.

The Kings, while not as famous as their counterpart, the Harlem Globe Trotters, are a talented band of fun makers who can turn on the steam to tickle the fancy of most staid fan, all within minutes, with their dribble, passing and shooting.

In the most hilarious thing since Abbott and Costello, the Kings will keep the crowd in an uproar throughout the game with their remarks and comical but

professional like plays. They are a talented band of dribble and pass-happy shotmakers who can handle the ball like a monkey handles a coconut.

The Kings have defeated some of the greatest teams in basketball throughout the United States, Canada and Mexico.

## Comets win 9th game

Comets won their ninth game of the season on Sunday with a 3-1 win over Fort Saskatchewan. Zane Jakubec in the nets for St. Albert played an outstanding game turning back 30 shots. First period was scoreless and the teams split a pair in the second. Comets opened the lead to 2-1 early in the third and held on throughout the period. Fort pulled their

goalie in the dying minutes only to have St. Albert break loose and score into an open net for their well deserved 3-1 win. Earlier this year, the Comets lost a close 5-4 contest to Fort on their home ice.

Next home games for the Comets are this Thursday against Sherwood Park and on Sunday against Winterburn.

## Same product, different stores

This Christmas we suggest that you shop around for gifts for a very good reason. Inflation is pushing prices high enough as it is. Why pay more than you have to? We did some comparing and found several cases such as this \$5.00 difference on a \$10.00 toy. So, this Christmas, shop around; compare prices and compare quality.

# Sharp goaltending gives Chiefs tie

Sometimes goaltending is all you got. Sometimes it's all you need.

It was pretty well that way for St. Albert Fire Chiefs in Wetaskiwin Saturday afternoon as the teams battled to a 4-4 tie.

Chiefs couldn't get anything going in the first two periods, yet for a time in the second they held a 1-0 lead and although badly outshot, only entered the third down 2-1.

Todd Murray had done

everything but stand on his toes to hold Wetaskiwin to one goal over the first 30 minutes and Bob Zdrill was worked very bit as hard in his relief stint in the second.

The pressure eased on him in the third, however, as

Chiefs finally began to skate. For the first 10 minutes the ice was hardly touched in their end as they scored three goals to take a 4-2 lead.

Wetaskiwin began to re-bound late in the period, however, and closed the

at 15:56. They got the equalizer with 11 seconds to play after a faceoff outside Chiefs' blueline.

The line of Larry Sander, Peter Tworek and Marty Scheibelhofer was about the only one to earn its keep. Sander scoring twice and assisting once, Tworek getting a goal and an assist, and Scheibelhofer an assist. John

Provencal got Chiefs other goal, scoring on a breakaway pass from Andy Genth.

Penalties proved costly to St. Albert as the first two Wetaskiwin goals came with Chiefs in the penalty box and the third after a misconduct penalty when play began with Chiefs short a man.

There were 14 penalties in the game, St. Albert getting eight.

As President of the Cosmopolitan Club of Edmonton, I have been most grateful for the support that the residents of St. Albert and vicinity have given to our club during the last few years. Our principal club project is community music programs. We have been privileged to have our various concert bands perform in St. Albert. The Bingo on DECEMBER 11 is the first of our to be held in 1974-75 season. Subsequent bingo's will be held in March, June, and the fall of 1975. Should anyone wish to have more information about our club and its projects, please phone me during the day at 434-9402 or evenings at 459-7920. Another St. Albert resident.

ROBERT G. SEZLAR, PRESIDENT  
COSMOPOLITAN CLUB OF EDMONTON.

## Basketball clinic at U of A

National basketball coach Jack Donohue will instruct a two-day provincial basketball clinic at the University of Alberta Dec. 14 and 15.

The clinic, sponsored by Alberta Culture, Youth and Recreation, the Alberta Amateur Basketball Association, the U of A and Carling O'KEEFE'S Sports Foundation, is open to all interested basketball coaches.

Coach Donohue has conducted clinics at the international level in 11 countries. Director of the Ottawa-based Canadian Amateur Basketball Association for three

years, he has extensive background in basketball coaching at all levels.

He is coach to Canada's national team.

The clinic will feature demonstrations by the U of A's Golden Bears and Pandas basketball teams. It will be practical in nature, building on fundamentals and aimed at coaches at all levels of expertise.

Registration closes Dec. 9. Fee is \$3 for one day, or \$5 for both. For more information contact Helen Greaves, sports consultant, Alberta Culture, Youth and Recreation 14th Floor, CN Tower, Edmonton, 429-6621.

## Trophy Pike - Fish & Game subject

Seibert Lake Trophy Pike will be the primary subject of a presentation by Ray Makowcki at the Fish and Game meeting on Tuesday, Dec. 10 at 8 p.m. in the St. Albert Community Hall.

Ray is a habitat development biologist with the Fish and Wildlife Division. He studied the Pike and other species in Seibert Lake for four years.

Purpose of the study was to determine why the pike grew so rapidly in the lake. Ray now has that answer.

He will also be talking about the Bucks for Wildlife program. Mr. Makowcki is in charge of the fish habitat projects under the program. The money supporting the project comes from Alberta sportsmen, who contribute \$1 every time they purchase a fishing or hunting licence.

# AROUND TOWN

## Engagement Announcement

**Anderson - Parks**  
Mr. and Mrs. R. J. (Bud) Anderson take pleasure in announcing the engagement of their daughter Karen to Bruce D. Parks, son of Mr. and Mrs. Robert R. Parks of St. Albert.

A cutoff last week moved the Browne and Guide bazaar forward one week. The girls will be pleased to welcome you to their bazaar, tea and bake sale this Saturday from 11 a.m. until 2 p.m. in the Community Hall. This pro-

mises to be a delightful way to do some Christmas shopping for gifts with a difference, and enjoy tea served by the young ladies.

The Vern Hittinger Trio with charming vocalist Diane Waddell entertained the residents of Youville Home on Sunday afternoon from two to three. The older folk thoroughly enjoyed the musical concert, arranged through the Musicians Union.

Christmas shopping should be easier this year for Doris Melesko - if husband Joe can spare her for some extra time off from St. Albert Pharmacy. Doris recently won \$3,000 playing TV Bingo.

Mrs. Lesley Hogan of Grandin Village and Mrs. Linda Bailey of Salisbury Avenue have been appointed as assistant Welcome Wagon Hostesses for St. Albert.

A reminder that advance copies of Red Serge Wives, a book compiled as an RCMP Centennial project by wives

of veterans of the Force are available at \$7 from Mrs. H. E. Routledge, 4531 - 106B Avenue, Edmonton. Cheques should be made to The Centennial Book Committee.

"Images of Christmas," a presentation of the students of Sir George Simpson School goes tomorrow night (Thursday) at the Assembly Area in the school. This is the first concert of the season for the school and the public is invited to come and see the show. Tickets are \$1 for adults and 50¢ for children and the door prize is a Christmas turkey.

## BIRTH ANNOUNCEMENT

Lawrence and Beryl Rice are happy to announce the birth of a daughter, Christine Leanne, on October 21, a sister for Kenneth. Lawrence was a former resident of St. Albert who has been stationed in Eastern Canada with the Armed Forces for the past six years. The family are now residents of Sherwood Park.

Q. I've heard that "home is where you hang your hat," but surely it can't be true, can it, that our homeowners policy covers the belongings we take with us when we go on vacation? A tourist at the hotel we stayed at says I'm wrong.

A. Your policy does cover the luggage up to the value of at least \$1,000 and possibly more. And that's true even if you're thousands of miles from home—and even if you don't own a hat! If you're travelling with the family jewels and your fancy fur coat you had better check the policy limitations which apply.

# Canadian West fulfils Yorkshire immigrant's dreams

**EIGHTEEN YEARS AGO** former Yorkshireman Ken Richardson of the Namao Ridge Estate which he helped develop came to Canada a penniless immigrant. Now Mr. Richardson, already a successful property developer both in Alberta and British Columbia plans to get into organic farming and no doubt feels that his two goats Snuggles and Muz will give him a hand in this direction.

## Mrs. Katie Davis - 85th Birthday

By Norma Crozier  
Friends and relatives of Mrs. Katie Davis filled the Namao Community Hall on Sunday, December 1 for the occasion of her 85th birthday.

Born Katie Bourson in Marshall, Minnesota, Nov. 29th, 1889, she first came to the Namao district as a girl in 1903. She was married to Frank Davis on July 12, 1912. They farmed in the Excelsior district until Mr. Davis became ill and had to be hospitalized so Katie lived in Edmonton. After his passing she returned to her farm home where she still lives.

She has three sons, Leonard, Ray and Marshall, four grandchildren and five great grandchildren.

We all wish her many more happy birthdays.

Mrs. Katie Davis of Namao district celebrated her 85th birthday, December 1st with a gathering of friends and relatives in Namao Hall.

By Jim McIntyre  
"I was born in the country and came back to the country."

Those were the words of land and property developer Ken Richardson, 38, of Namao, who came to Canada 18 years ago, a penniless farm lad from Leppington, Yorkshire, England determined to make a go of it in the land of opportunity.

It's taken a long time for Ken to get back to the country life he loved so much as a Yorkshire lad. Since coming to Canada he's almost literally lived out the soldier, sailor, tinker, tailor myth before finding his real niche in life as a land and property developer and organic farmer.

Ken and his wife Barbara and four sons live out on the Namao Ridge Estate about 20 miles northeast of St. Albert, the estate being one of Ken's own developments.

Ken remembers clearly how he came out to Canada so many years ago.

He said he had no education to speak of and left school in Yorkshire at 14 becoming a farm hand on a nearby farm. For a while he was aimless, the youngest in a family of eight till his sister-in-law came over from Canada and persuaded Ken it was time to move out and look for opportunities at the other end of the rainbow.

A month later, Ken was on the way to Canada and arrived in Ottawa in 1956, with no job and no money but bags of enthusiasm.

When he got there, the first person he met was his eldest brother whom he'd never seen before. That brother is now 60 years old.

Ken felt on arrival in Canada that the West would be more open and friendly than out East so he promptly headed out to the prairies and found everything he'd heard about the West was true.

"The people were more friendly, more open and willing to assist," he said.

The month after Ken arrived in Canada he became a soldier.

"I joined the PPCLI - Princess Patricia's Canadian Light Infantry - which was Canada's first and finest

airborne division; I was assistant to the Brigadier General and later became a lance corporal," he said.

Ken pointed out that he never saw service abroad during his three year stint with the armed forces, but took a "pre-para" course near Edmonton spending six weeks crawling through swamps with kit bags twice his own weight on his back.

Ken said that when he started this training period near Edmonton he was one of the first soldiers to be stationed at the new barracks at Griesbach.

By the time he was released he was stationed in Calgary. Ken remains proud of his service with the armed forces. "While I was with them I never had one charge and I got a good conduct strip," he said.

During the last two months of his time with the army, Ken was converted to Christianity and decided to train as a minister at the Northwest Canadian Bible College in Edmonton in 1959. In 1962 he went into the ministry at Cold Lake with his wife and worked on the mission in that community. He met his wife, from Loon Lake, Sask., while doing his theological training in Edmonton.

Gradually Ken got disillusioned with what he calls "Churchianity" feeling that his mission behind the pulpit was limited and that "the people who could be listening didn't come." So he decided to go into business where he could meet with the people all week and not just on Sundays.

"I ran a painting company for six years from 1963 to 1969 in Edmonton," he stated, "and then went into property management."

"In 1971 after learning how to finance projects from small shacks to apartments and after reading the book 'Think and Grow Rich,' Ken formed Richard's Properties Limited and went into

property development in a big way.

As well as promoting the Namao Ridge Estate development, Ken says that he is also developing two plots of land in Salmon Arm, B.C., and also Elk Island Estates nearer home.

As if to give a lead to those who would like to try their hand at country living, Ken and his family moved out to Namao Ridge October 14 and it looks as if the next stage of Ken's existence is about to begin.

He's already acquired two goats but his main intention is to become an organic farmer, producing enough food without using artificial fertilizer, to become self-sustaining.

To this end Ken was built what he calls a solarium, literally a suntank, which will be able to raise food 24 hours a day. It will operate by picking up the southern exposure of the sun during the day and then dispersing the heat to plants by night below the frost level. He said the 1200 square foot area will raise food 24 hours a day sufficient for 60 families.

Ken also said there will be different zones in the solarium such as a tropical zone where he can grow even bananas if he wishes. To preserve the produce from the solarium, Ken has also built a root cellar into his home where the temperature will remain at 30 degrees Fahrenheit constantly.

Ken pointed out that he has also built a fish tank into his solarium sufficient to take 300 trout. And just north of this development he plans to use a barn for livestock.

With his dreams of returning to the country fulfilled, Ken looks forward to a bright future, the days when he tried to find himself as a foodstore operator, a distributor for musical instruments and car bumpers, as a soldier and laundromat operator, long gone.

## FARMCHEK

### A NEW APPROACH TO FARM ACCOUNTING

We are once again nearing the end of the year and farmers will be faced with their annual headache - Income Tax Returns. Cam Gregoire, Manager of the Royal Bank of Canada, Morinville wants to take this opportunity to inform his farm clients about Farmchek.

Farmchek is a simplified accounting system that enables a farmer to keep accurate records of farming expenses and receipts in the course of his normal banking routine.

Farmchek is based on the fact that most expenses today are paid by cheque. By using specially coded cheques and deposit slips, Farmchek customers can obtain a monthly record of their expenses and receipts by simply using the special cheques when paying their expenses and specially coded deposit slips when depositing their receipts. The system also offers special cash transactions forms to allow the customer to enter into the system any transactions carried out in cash. At the end of each month the bank sends the cheques, deposits and cash transactions to the data processing centre and the farmer is provided with details of each transaction, together with monthly and year-to-date listing of expenses and receipts.

If anyone is interested, please drop in and see Cam or his staff for further details.

# MORINVILLE MEMOS

By Marilyn Pelletier  
The United Church annual Sunday School Christmas concert will be held December 15 at 2 p.m. in the Legion Hall, everyone welcome.

It's nice to see Mr. Gordon Schacher home from the hospital. Hope he's home for good now.  
Mr. and Mrs. Howard

Kieser and Mr. and Mrs. Harvey Vranas returned home recently from a trip to Eastern Canada and the United States. Their travels started after a flight to Windsor, Ontario, where the Harvey Vranas's picked up their new Dodge Monaco car. They motored to Niagara Falls, then St. Jovite, Quebec and Toronto to visit with

the Adolph and Albin Kieser families. Enroute home they toured the Chrysler car assembly plant at Windsor, viewing the making of a car from start to finish.  
Homeward bound through the States they visited cousin Ben, Dena Hancke family (nee Bokenfohr) in Orient, South Dakota, an enjoyable extra on their trip. They

crossed into Canada at Carway, stopped at Cardston to visit son Wayne Vranas where he's employed on a gas pipeline, also saw the Rooke's at Fort MacLeod. Arriving home the Howard Kieser's new Dodge Monaco was waiting for them at their local dealers in Legal. A very interesting and enjoyable trip was had by all.

Miss Julia Iseke passed away on Sunday, November 24 in hospital after suffering from a stroke a day earlier. She is survived by three sisters, Mrs. Annie Steffes, Mrs. Emma Kieser, both of Edmonton and Mrs. Laura Kieser of Morinville. Funeral was in St. Pius X Church in Edmonton. Interment in Morinville Catholic Cemetery on November 27, 1974.

is the man to see about this.

The Morinville Lions Club presented a cheque of \$237 to the Agricultural Society, which was a profit from the raffle. The Lions Club would like to thank all those who took part in the raffle.

## DECORATING CONTEST

The Morinville Board of Trade is once again sponsoring a Christmas decorating contest. There will be two categories to be judged: Residential, and business for best exterior design. Two prizes of \$20 and \$10 will be awarded each category.

In case of a tie, the winners will be asked to run it off down Morinville's main street. It is anticipated that winners will be announced by December 18, 1974. Anyone interested? Get at it, and bring a little Christmas spirit into our town.

Local artists are holding a sale of handicraft articles of Christmas, and business for best exterior design. Two prizes of \$20 and \$10 will be awarded each category. In case of a tie, the winners will be asked to run it off down Morinville's main street. It is anticipated that winners will be announced by December 18, 1974. Anyone interested? Get at it, and bring a little Christmas spirit into our town.

## AG SOCIETY REPORT

The Central Sturgeon Agricultural Society held its first Wednesday night at the Cunningham School at 8 p.m. The C.S.A.S. will hold a regular meeting on the first Wednesday of each month from here on.

Sorry to report that there is still no ice at the arena. The main reason for this of course is the unusual warm weather we're experiencing for this time of the year. However if it gets a little colder, I understand we should have ice at the arena by the weekend.

Just a reminder that there are still a few squares left on the hockey pool. Get your money in now, and you might win yourself some money. Don Derby at the Royal Bank

## Legion rumblings

By J. J. Bulger  
November 9 in the Legion Hall Morinville, the scene was set for Branch #176 RCL's annual Remembrance Day dance and midnight buffet supper. The evening was thoroughly enjoyed by 40 couples. Music was supplied by Art and Dennis Chalfoux.

On Nov. 11 the annual Remembrance Day Services were held at Legion Hall and the Wreath Laying Ceremonies were held at the Cenotaph.

In attendance for the indoor service were President Paul Ellis, Guest speaker Mayor Art Stapleton, Protestant Padre Mr. Dan Brown, reading the scriptures was Linda Jacobs and Darren West. Also in attendance were members of the Morinville RCMP detachment who formed the Honour Guard, Legion and Ladies Auxiliary members attended in a large number as well as members of the Lions Club, Girl Guides, Brownies, Boy Scouts and Cubs. Members of the Morinville Community at large attended in greater numbers than in past years.

Following ceremony opening by President Paul Ellis, the hymn 'O Valiant Hearts Who To Your Glory Came' was sung by those gathered accompanied on piano by Comrade Maury Legge. Following this Mr. Dan Brown spoke and the scriptures were read after which Mayor Art Stapleton spoke to those assembled with timely and well chosen words on this solemn remembrance occasion. Following the indoor service, a parade was formed up outside Legion Hall. Leading the parade were members of the RCMP Detachment followed by Legion Sgt.-at-Arms, Legion Colour Party, President Paul Ellis, Legion members and Ladies Auxiliary, Air Cadets, Lions, Guides, Brownies, Scouts, Cubs and the general public.

At the Cenotaph service, wreaths were laid on behalf of the RCMP by Cpl. H. Lamb, Royal Canadian Legion by vice pres. John Bulger, Town of Morinville by Mayor Stapleton, Ladies Auxiliary by Mrs. Audrey Borle and Lions Club by Doug Ramer. Wreaths were laid by Legion and Ladies

Auxiliary members for the following business organizations: Men's and clubs: Cubs and Scouts, Brownies and Guides, Beaver Lumber, Calder Agency, McGinnis Realty, Calgary Power, Morinville Super 'A', Frontiersman Hardware, Butts Auto Body, Quinns Plumbing and Heating, Morinville IGA Morinville Mobile Park, Lili's Beautyette, Berts Auto Centre, Roy's Drive-in Centre, Andy's Music, Grandview Hotel, Morinville Drug, W. Farm Equipment Ltd., Morinville Hotel, and Vintage Contractors.

Branch #176 Royal Canadian Legion Morinville wishes to thank all those business establishments and individual persons who supported our 1974 Poppy Campaign so generously. A special thanks to the four Morinville members of the St. Albert Air Cadet Squadron who gave of their time and talent. Following the outdoor service, hot chocolate, coffee and cookies, supplied by Ladies Auxiliary, were served to the children who participated in the parade. Incidentally the buffet supper on Nov. 9 was served by Legion member wives.

In the afternoon of Nov. 11 the Branch was opened to the general public for an afternoon of social activities, including a sing-song and a raffle which was enjoyed by all attending. The Branch requests the

attendance of all members at the next general meeting to be held on Thursday, Dec. 5 at 8 p.m. in the Legion Hall, election of new officers for the year 1975 will take place at this meeting. Those elected will take office on January 1, 1975.

Once again our Branch is trying hard to support the Early Bird membership campaign, to become an Early Bird member is very easy, all that is required for a member to receive an early bird emblem is to pay your 1975 membership dues prior to December 31, 1974. A member of the membership committee will be in attendance at the general meeting on Dec. 5 to facilitate the renewal of your dues. "Be a renewal of your dues. "Be an Early Bird, you don't even have to get up early in the morning" just pay your dues prior to Dec. 31.

Plans for the New Year's party will be formulated and tickets will be on sale at the Dec. 5 meeting. See you at the meeting, please support your Branch, attend this important meeting.

On Dec. 20 at 8 p.m. at the Legion, the installation of newly elected officers for 1975 will take place, also the presentation of awards followed by a social evening for members and their guests. All members and guests welcome for the installation and awards ceremony.

Don't forget the Christmas carolling party to be held on Dec. 22 at 8 p.m., everyone to meet at the Legion Hall or pickup the sleigh on its route through the community.

Hope to see you at the Legion Hall in the near future.

## Report from Parliament Hill

By Stan Schellenberger  
MP Wetaskiwin

On November 1, the Honourable Barney Danson, Minister of State for Urban Affairs, announced the government's intention to authorize, for a one year period, the payment of a \$500 grant to people buying a new moderately-priced home for the first time. This measure was subsequently confirmed in Mr. Turner's budget speech.

The homeowner grant will be payable to people who are buying a new home for the first time, within price limits which vary by market area, such limits being those used by the Central Mortgage and Housing Corporation in setting the upper ceiling of loans it will insure under the National Housing Act.

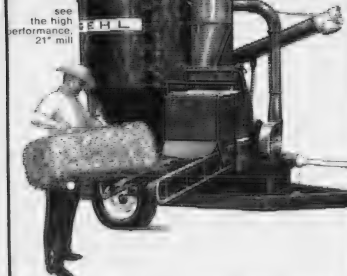

Provisions stipulate that the housing must be new, not

previously occupied, and of a permanent nature. It must be the owner's principal residence. Owners of mobile homes or recreational vehicles will be able to benefit from the subsidy provided that the unit is considered a principal residence of a permanent type.

The grant is available for a one year period from Nov. 1, 1974 to Nov. 1, 1975 - but it is to some degree retroactive. It applies to those people who own their own homes or to those who were in the process of building their own homes before November 1, 1974, provided occupancy took place after that date.

A new owner may apply for the grant to his local Central Mortgage and Housing Corporation office. His application will be processed and if approved, a cheque will be forwarded to him.

# Head to Morinville for that special Christmas gift

Stuck over what to buy your friends and neighbours for Christmas? They probably have the answer to your problem in

Morinville at the Sturgeon Regional Recreation office where a small craft shop is now in operation. The shop is selling all kinds of handmade

crafts by local residents at very reasonable prices.

The store will be operating over the pre-Christmas period, "But," as program co-ordinator for the Sturgeon Regional Recreation Board Jean Smith pointed out this week, "store hours will be by appointment only before Christmas."

Mrs. Smith said that crafted items had been pouring into the office this week, from pottery to creative stitchery and bazaar items like candles, mittens and knitted baby sets; also pin cushions and crochet items.

Mrs. Smith commented that the store will provide an outlet for all handcrafted items in the Sturgeon re-

gional recreation area whether they come out of handicrafts classes or not.

The store will therefore have the dual function of being a display point for local handicrafts as well as a retail outlet. "This gives the people a chance to see what is going on in Sturgeon," Mrs. Smith added.

Considering that the existence of the store has depended more on the "by word of mouth approach," the number of people bringing in items has been more than encouraging.

The store has the official approval of the Sturgeon Regional Recreation Board. There is also an agreement with the Board and local craftsmen and women that

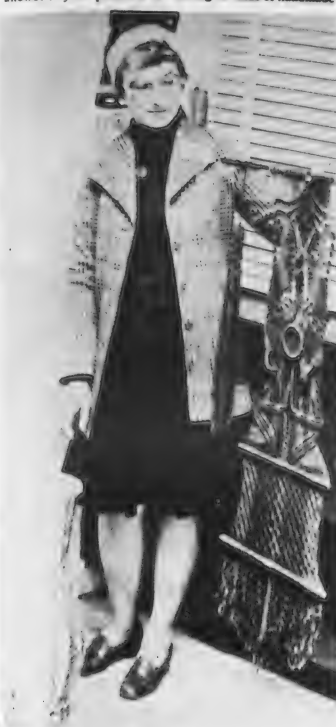

the items can be priced by the individual craftsman and 10 per cent of this price will be deducted when sold by the board as a commission.

It's pointed out by the Board that a handicraft guild will likely be set up to look after the store, its organization and the display of crafts. The Guild will also be responsible for setting the hours and days of the store operation and also to oversee the quality and quantity of the handicrafts. Guild members will also be responsible for finding a hostess to look after the store on store days.

While the store is just one manifestation of the Sturgeon Regional Recreation Board's efforts to get the communities of the area

involved in recreation, the Board has just had a big publicity drive to let the public know what regional recreation is all about.

To this end there was an "Open House" at the Regional Recreation Board's offices November 29 from 1 p.m. to 9 p.m. with all the Board's staff on hand to tell the public about recreation and show them round the office area. The following day, November 30, a special workshop was held at the office where the Superintendent of the Sturgeon Regional Recreation Board Laurence Coulombe explained the concept of regional recreation to the public with the aid of flip charts

PROGRAM CO-ORDINATOR for the Sturgeon Regional Recreation Board Jean Smith with two items of local handicrafts made by Sturgeon area residents. They will be on sale at the craft shop at the regional recreation office in Morinville. Visits to the craft shop are by appointment.

## Mayor Stapleton clears air

Morinville Mayor Art Stapleton this week cleared up two issues causing confusion on the local recreation scene.

First Mayor Stapleton pointed out that a recent report that the town was establishing a recreation board really amounted to a move by the town for more co-operation and communication be-

tween 31 recreational bodies in the town and town council.

Secondly there is no truth in a rumour that Morinville will be pulling out of regional recreation as of the first of next year when the town ratifies a fresh agreement with the Sturgeon Regional Recreation Board for recreation services in the locality.

## \$240,000 seed cleaning plant for Morinville likely

A \$240,000 seed cleaning plant seems likely to be built in the MD of Sturgeon in the not too distant future.

The plant is expected to be located near the present old facility in Morinville according to the annual report just released by the Morinville Municipal Seed Cleaning Co-operative, Nov. 23.

President of the Co-op Allan McDonnell said in the report that there was a great need for a plant which would be larger and faster to meet the demands of today's efficient and progressive farming methods.

He said the present facilities had seen better days, the floor was settling on the driveway, the office was too small and the plant had badly worn grain legs.

He pointed out that a new facility would in no way jeopardize any of the existing plants now in operation. Mr. McDonnell also stated that he considered the association was in a very favourable financial position to approve the new project.

"Negotiations between the Municipal District of Sturgeon and this Board have been carried on and excellent co-operation has been forthcoming to achieve the necessary grants from the provincial and local levels to build as soon as possible."

Mr. McDonnell added, "He emphasized that the shareholders must contribute their share in this concerted effort."

He stated that the new plant should be built on the south side of the existing plant and a sloping steel spout would act as a conveyance between the two structures.

Also in his report Mr. McDonnell said that "after carefully considering that the Morinville plant has cleaned nearly half a million bushels of grain each year for the past 25 years and with the

bright outlook for the demands of food... the board felt they should consider some changes. He added that it had been reported by reliable authorities that the volume of grain cleaned by the plant over the past years was a possible world record

Referring to a meeting held in the town recreation centre last week Mayor Stapleton said that that meeting was held to get more input on the local recreation board from 31 recreation clubs. Each club or group has been asked to elect a member representing the club and several of these 31

persons will be elected to the Morinville Recreation Board.

He said "We've always had a local board and what has been happening is just a broadening of a (recreation) concept on the local level."

As far as the town's relationship with the Sturgeon Regional Recreation Board was concerned Mayor Stapleton said that the board and the town would meet "and we'll let you know what happens."

Morinville representative to the Sturgeon Recreation Board Flo McGinnis told the Gazette this week that local and regional recreation were two separate issues and that an existing town bylaw held provisos for an expansion of the Morinville recreation board if this was seen necessary.

# Calahoo & District News

By Liz McLeod  
The community and districts showed the St. Catherine's parish ladies how much they thought of the delicious meal prepared and served at their harvest supper on Nov. 17 in the church basement. The decorations of fall colours in flowers leaves and stems, artistically arranged, set the mood for the evening,

enjoying good food and being able to visit with many used-to-be neighbours who were present.

I think Mrs. Mary Kramps is the queen of Calahoo, soon to celebrate her 93rd year, always the soul of cheerfulness and still hail and hearty. Also attending were Mrs. Mary Calahoo and Mr. Tobel Majcau to name just a few of

the many wonderful folks that come annually to support Calahoo. It was nice to chat with Mr. and Mrs. Ed Borle and all the visitors from Villeneuve. Not forgetting the young folks who are just as an important part of the scene.

Foch and Eve Blouin from Edmonton were recent visitors in the Green Willow district making stops at the Adelard Paquette's and the Peter McLeods. Foch has just returned from a visit to England.

Malcolm McKenzie and his sister Betty in company with Buster and Edna Brown enjoyed a afternoon visiting in the district.

Alex Kerr got a pleasant surprise on his birthday, when a couple of neighbours came to visit.

Two year old Cameron McLeod was overjoyed to go home with his grandparents the Sam Klause's of Onoway and when his other grand-

parents came to visit him later he was telling them of the tractor rides he got at the farm. The flu bug bit him since and we do hope he's better now, and also his mother who felt while curling, and cracked a bone in her elbow.

Syd and Lucienne Wright who live in Mayerthorpe certainly enjoyed a visit from Leo and Evelyn Paquette and sons, and Adelard and Melina Paquette, which gave Lucienne an opportunity to see the new baby and her nephews.

Lawrence MacIntyre, his wife Betty and brother-in-law Malcolm enjoyed a drive into the country and a visit with Kerr Bros. Lawrence farms at Hardisty but is residing in Stony Plain these days.

The Ferdinand Lischewski's who now reside in Stony Plain spent a weekend with friends in Westlock and enroute home stopped at Kerr Bros. for a visit.

The Erwin Lischewski's

who now own and reside on the home farm went to Stony Plain to visit with their parents. The family is thoroughly enjoying farm life after living in Jasper.

**GOLDENAGERS MEET**  
On November 20 a fair size group of members gathered at the Gazebo at 1:30 p.m. Visiting were Mr. and Mrs. Norman from "The New Horizons," assistant supervisor Laurent Coulombe from the Regional Recreation Council, and Emile Berube and Brenda Coyes

represented the Sports Association in view of the fact that the Senior Citizens are trying to get a building.

Emile, speaking for the sports group offered to build a 30' by 36' building on the east end of the Gazebo, with gas, power and sewage so as to have indoor toilets, a kitchen and storage.

Land would have to be leased and nothing definite was decided.

After the business was dispersed, cards and bingo were played, before the lunch break.

## Calahoo WI elects officers

By Liz McLeod  
The regular monthly meeting of Calahoo Women's Institute was held in Mrs. Kris Dalheim's home November 26 with 12 members and some newcomers to the district: Mrs. Isabel Wheatley, Mrs. Harry Gooding, Mrs. Franky Sparks and Mrs. Alice Platz visiting. Eight husbands enjoyed a visit while the ladies held their annual meeting this month.

A discussion was held on the date and plans for a Christmas party. It was decided to have a pot luck supper for member's husbands, and families on December 16, followed by a short meeting. For entertainment members were all asked to bring three novelty items costing not less than 50¢ each, wrapped and the funnier the better.

Nominations followed and

this new executive shapes up the way: President - Mrs. P. McLeod, R.R. 1 Calahoo; Vice-Pres., Mrs. V. Berry, R.R. 1 Calahoo; Secretary - Mrs. J. Dalheim, 44 Beverly Ave., Spruce Grove; Treasurer - Mrs. K. Dalheim, Box 262 Onoway; Directors: Mrs. J. Carly, Mrs. J. Thatcher, Mrs. Margaret Douglas. Tour committee - Mrs. R. Schmermund.

Members on the Horticulture committee are Madeline and Elsa, Emelia Schmermund and Margaret Douglas.

Each member chose the month in which she'd like to have the meeting and it was decided to have the hostess name the topic for discussion.

Alice Platz won the door prize, brought by Emma Dalheim. The roll call of not less than 25¢ towards Pennies for Friendship was answered by all present, before lunch and a social hour.

REEVE OF THE MD of Sturgeon No. 90 Bill Flynn cuts the ribbon November 28 to mark the opening of the first phase of the Namao Ridge Estate assisted by Clay Crozier (left) councillor for the MD of Sturgeon.

## Christmas tree sale at Namao

"I'm hoping there'll be a bit of snow," said Pat Jepson - Christmas tree seller at Namao - to the Gazette last Sunday.

Mrs. Jepson and her husband Art and three youngsters will be harnessing up their St. Bernard dogs next week to give local youngsters a treat on a dog-pulled sleigh as well as selling Christmas trees and keeping visitors warm at a Christmassy log fire, against a backdrop of warm hay bales and fir trees.

Two hundred and fifty trees are expected to be sold at the sale and the proceeds will go to fight muscular dystrophy. Mrs. Jepson told the Gazette that this is the third annual sale at their

property just south of Namao on the old highway and last year \$650 was donated to the cause of curing muscular dystrophy.

"This year," says Mrs. Jepson, "the Northern Alberta Canine Association will be matching the proceeds dollar for dollar on anything we make."

The Christmassy event which should be even more seasonable with an extra sprinkling of snow is expected to draw crowds from Edmonton and district. The sale will commence next Saturday and Sunday from 10 a.m. - 8 p.m., and whether or not the thermometer drops there will be a log fire burning to keep prospective buyers warm.

# Report From Bon Accord

By Sadie Allen

Now is a good time to remind everyone that the Guides have a year round project of collecting stamps. Are you saving yours for them? For anyone outside of the district, they would appreciate your help if a similar project is not being carried on locally. Just send them along to Eileen Malan-chen at Bon Accord.

The Brownies and Guides will be conducting a Christmas toy sale in the Community Centre on December 9 at 6:30. At the same time cubs and scouts will be holding a bazaar in the Community Centre upstairs. Craft items will be featured and donations will be gratefully accepted by all four clubs. This is a good opportunity to clear your shelves of games, toys, etc., that are no longer used in your household but would be appreciated in another.

Cub and Scout Parents' committee are conducting a Christmas Hamper Raffle -- one hamper to go to the lucky ticket holder and a second to be given to a needy family in the district. The draw for the hamper will be held on December 16 at 6:30. Tickets may be obtained from any member of the parent committee.

The regular meeting of the Bon Accord and District Agricultural Society directors will be held on December 9 at 8 p.m. at the BACC. Plans will be made at this meeting for the annual meeting of the Society.

Kindergarten children enjoyed another interesting and informative field trip on Nov. 27. On the first stop the children toured the dairy farm of Dick and Don Bland. Here they saw cows being milked with a milking machine, how the milk goes into the refrigerator tank where it is stored until picked up by the tanker truck and transported to the dairy in the city. Gary Bland, who operates the truck was there and showed the class how the truck takes the milk from the refrigerator tank. The children were given an icecream treat by Mr. and Mrs. John Bland. The next stop on the tour was at the potato farm of Mr. and Mrs. Bill Carleton. Here the children each received a nice big potato before continuing their tour. The final stop was at the Pelikana Dog Kennels operated by Jim Thompson.

An AMA Driver Training Course will be held after the first of the year. Anyone interested in taking the course should phone Pauline

Mansfield, 298-3625 or Doris Carleton, 298-3686.

Congratulations to Mr. and Mrs. Brian Potter on the birth of their daughter, Sandy Jean, 6 lbs. 13 ozs. on November 26 at the Sturgeon General. Proud grandparents are Mr. and Mrs. Don Potter and Mr. and Mrs. Jim George and great grandparents Mr. and Mrs. Clive Potter, Mrs. Hector McCrimmon and Mr. Everitt McEachren.

Santa Claus will arrive by helicopter at the Roseglen Park in Bon Accord on Dec. 15 at 2 p.m. The Bon Accord Teen Club extends a cordial invitation to all children of the Bon Accord school area to be their guests. Candy bags will be given to all children 12 and under. At 3:30 there will be a free show

in the Community Centre featuring a nature film and cartoons. The Christmas party is a project of the Bon Accord Teen Club and is being financed by the proceeds from the raffle of an 8-track car stereo. Tickets may be purchased from any member of the club. Phone Penny Carleton at 298-3686 for information.

## RCMP OFFICERS RCMP OFFICER SPEAKS TO BOARD OF TRADE

Cpl. Lamb from the RCMP detachment at Morinville was guest speaker at the Board of Trade meeting held on November 27. Cpl. Lamb has been 19 years with the RCMP and along with four other officers looks after Morinville, Gibbons and Bon Accord districts. One car is

assigned to the Bon Accord and Gibbons areas. During the month of October, the Morinville detachment had 1,250 calls, 95 coming from the Bon Accord area, 26 calls in assisting the general public, seven motor vehicle accidents, three hit and run, four erratic driving and five vandalism. The corporal advised those present that no matter how minor a complaint may seem, it should be reported as quite often a minor complaint will assist in solving a bigger and more serious crime. The night phone number for the RCMP is Zenith 50,000 and should always be used in an emergency. Minor complaints may be made during the day to the Morinville number.

Our thanks to Cpl. Lamb for an interesting and informative talk.

Bill and Doris Carleton attended the Potato Growers' convention at the Highlander Hotel in Calgary on November 21 and 22.

The Bingo cash jackpot has not been won and will be \$375 and 53 numbers on Sunday, December 8. Winner of the Bonanza bingo was Mrs. Evelyn Rogers. The jackpot consolation was won by Dennis Kinjerski.

A reminder to all senior citizens of Bon Accord and district that have a party in district that a party in your honour is being held at 2:30 p.m., in the Bon Accord Community Centre. The ACW of the Anglican Church hopes you all will be there.

Mature bartender required for New Year's Eve dance. Please contact Stan Kowalski

## HORSE HILL

By Peggy Wenzel

Horse Hill School was the scene of an exciting volleyball tournament on Nov. 30, with teams participating from St. Nicholas and St. Mary's schools in Edmonton and H. A. Kostash school at Smoky Lake, along with the Horse Hill teams.

The girls final was played between St. Nicholas and Horse Hill, with the local team victorious. The Horse Hill boys team also made the finals, but were defeated by St. Nicholas.

All teams played exceptionally well and those in charge would like to thank them for coming. A special thanks goes to the coaches, referees, umpires, scorekeepers, kitchen helpers and to Mr. Westacott for arranging the tournament. Congratulations to Horse Hill Girls and St. Nicholas Boys on their victories.

Tickets for the Horse Hill New Year's party are now available at the school and John's Store (Evergreen).

TWO GOATS which looked as though they might get in the way of the ribbon cutting ceremony marking the opening of phase one of the Namao Ridge Estate last week take no chances with their owner-developer Ken Richardson who promptly chases them away before they create any havoc at the ribbon cutting.

## East Ag Society elects new officers

By S.A.M.

A new slate of officers were elected to the East Sturgeon River Agricultural Society Board at the annual meeting held on Monday, November 25 at the Gibbons Arena. It was very disappointing to see only 21 people showed enough interest to attend. Don Rurak gave the treasurer's report stating that the average donation per family last year was \$55. It is hoped this could be increased this year, helping to defray costs not only on the arena but the joint-use facility with the school. The arena is a very busy place

with a full slate of hockey teams and 120 children taking figure skating and power skating.

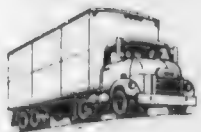

The officers elected are - Pres. Darwin Serink; 1st v.p. Mrs. Pat Callaghan; 2nd v.p. Wilfred Shaw; sec. - Doreen Minchau; and treas. Tom Walter. Meetings will be held the 1st and 3rd Wednesday of each month at the arena.

# LEGAL LOCALS

By Lucienne Montpetit  
Figure skating will begin on December 8, power skating, figure skating and learn to skate (four years and up) will be taught.

On Sunday, Dec. 8 figure skating and learn to skate will begin at 10 a.m. to 12 p.m. Power skating will begin at 12 p.m. - 1 p.m. All registrations must be in by Saturday, Dec. 7. No registrations will be taken after this date. Call Elsie Royan at 598-3949 or Jill Veniot 598-3783 to register.

## Attention Ladies!

Rick's Beauty Salon has changed location since December 4. Rickie has moved her salon in the basement of her new home, located one block south of Dan's Groceries (Montpetit), turn east and its the fourth house from the corner. Look for the sign, the telephone number and the hours remain the same.

The R.C. ladies of Waugh will hold a bake sale at the Legal Co-op on December 7, beginning at 11 a.m. Save time, come and buy some of those ladies delicious baking.

After a month of planning the Legal Home and School

will finally go into the final stages of organization. On Thursday, Nov. 28 a group of parents gathered at the Legal school to hear an interesting guest speaker, Mr. Jeet Khullar who spoke on Home and School. At this particular time a steering committee was nominated consisting of a student, a teacher, Mrs. Nancy Lalonde, Mr. Phil Stephenson, Mrs. Phyllis Allen, Mrs. Marie Oligny and Mr. Ed Royan, everyone agreed that Home and School could be a worthy asset to our community.

The Mothers Local will hold a bake sale on December 14 at the Legal Co-op at 10 a.m. Proceeds will be for the Brownies. Donations will be greatly appreciated.

Congratulations to Mr. and Mrs. Bertrand Cyr upon the arrival of a charming daughter Susan born on Nov. 26, weighing 6 lbs. 7 ozs. A sister for Michelle.

Sincere condolences are extended to the Durand family upon the loss of their uncle, Phillippe Lavoie who passed away recently.

The Club 60 Roses comm-

ittee and members wish to thank each and every person who attended their bazaar, smorgasbord supper and bingo last Sunday making it a smashing success.

Special thanks to Father G. E. MacGrane from Mearns who displayed his talent as a very capable magician, the Provencal family from Vimy who provided some very fine music, also to all the others that provided entertainment for the enjoyment of every-

There'll be no changes in rules and regulations at the Legal School following a sudden sit down strike by students there November 21.

The students had expressed the desire for a relaxation in certain disciplinary matters when they spoke to a board member following the strike action.

Chairman of the Legal School Board Harvey St. Onge told the Gazette Tuesday there would be no change in the rules and regulations at the Legal school and this was "in the best interests of pupils at the

one present.

The winners of the raffle were: Mrs. Georges Montpetit - the portable 8 track cartridge stereo tape player, she donated it right back and it was sold by Italian raffle and won by Mrs. Olivier Laframboise, Mrs. Dagenais from the Chateau Sturgeon won the doll dressed in dollars, and the cushion was won by Mr. Dixon Keane.

The Students' Union is sponsoring a dance on Dec. 7

from 9:30 p.m. - 1 a.m. at the Legal Community Hall. Come and dance to the music of "Big Shot."

On Saturday, Nov. 30, the boys and girls volleyball teams participated in a tournament held in Grassland. The Legal girls took second place enabling them to play in the conference games held in Legal on December 7 at the school. Congratulations girls!

Mr. and Mrs. Leo Bilodeau from Prince Albert, Sask., are visiting with Leo's parents Mr. and Mrs. Claude Bilodeau and their many relatives.

Les Femmes Chretiennes will have a bingo at the Chateau Sturgeon on Dec. 8th at 1:30 p.m. Proceeds are to buy Christmas gifts for the Senior Citizens. Everyone is welcome.

## No change in rules at Legal school

school."

He said the board had reached this conclusion after a board meeting Nov. 25. Mr. St. Onge said there had been no more action taken by the students and that since the strike everything had been running well.

Mr. St. Onge also pointed out that he had attended a meeting with 35 parents of the local school district Nov.

28. The meeting lasted two and a half hours and the parents formed a steering committee to recruit more members for the formation of a Parent Teachers Association.

It is expected that the steering committee will liaise with a PTA already formed in Morinville before their own committee is set up.

Mr. St. Onge said that the

only way a PTA could function was if it operated for the benefit of the students. "People realize that (PTA meetings) are no place to grind an axe," he added.

He emphasized that PTAs were more to foster good public relations and should ultimately work towards the better education of the pupils.

## Last member of pioneer family dies at 86 years

On November 26, 1974, Mr. Rosaire Hebert, the last member of a pioneer family in the Villeneuve and St. Albert districts passed away at the Youville Home, aged 86 years.

Mr. Hebert was born in St. Michel-de-Yamaska, P.Q. on January 7, 1888, in the family of Denis Hebert and Celina Theroux, both deceased in St. Albert in 1926 and 1929.

Mr. Rosaire Hebert moved west with his family in 1894 to join his brother, Joseph living in Villeneuve since two years. Joseph died in Edmonton in 1952.

On May 16, 1910, Rosaire married Marie Loiselle and the young couple farmed the family homestead southeast of Villeneuve. It is in this setting that they raised their family of 14, one son having died at the age of two. During these 60 years spent in Villeneuve, Rosaire was an active member of the community serving first as altar boy for Father Normandeau, then later as school trustee in the Turcotte district, municipal councillor and church

trustee. He was also a founding member of the Alberta Wheat Pool.

In 1955, Mr. and Mrs. Hebert retired to the Calder district residing there until 1963 when the couple moved to the Youville Home in St. Albert.

In 1970, Mr. and Mrs. Hebert celebrated their diamond wedding anniversary among family and friends.

Mr. Rosaire Hebert was predeceased by his wife in 1971 at the age of 80 years. Mr. Hebert leaves to mourn his loss eight sons and six daughters: Rev. Fr. Denis of Lima, Peru; Walter, and Robert, St. Albert; Laurent, Etienne and Honore, Edmonton; Elphege and Prosper, Guy; Mrs. Isola Durocher and Mrs. Odile Lesburg Villeneuve; Mrs. Therese Farley and Sister Yvette, Edmonton; Mrs. Marie-Claire LeBlanc, St. Albert; Mrs. Sylvianne Borle, Grande Prairie; 65 grandchildren and 30 great-grandchildren.

Funeral services were held Saturday, November 30 in the St. Albert Roman Catholic Church with his son

ROSAIRE HEBERT

Father Denis of Lima, Peru officiating at a con-celebrated mass, with several other priests, friends of the family. The Sisters of the Assumption choir sang at the evening and morning masses assisted by Roger and Guy Hebert, as well as by Mr. Lucien Loriau on Saturday morning. Pallbearers were six grandsons: Arthur, Jacques and Henri Hebert, Raymond LeBlanc, Philip Borle and Oscar Lesburg. Interment was in the St. Albert Cemetery.

## Villeneuve 4H

By Frances Lema  
The Villeneuve 4H Sewing and Craft Clubs held a turkey bingo on Saturday, Dec. 1st. There was a good crowd who had a fulfilled evening. There were 20 games of bingo and an Italian raffle. Twenty turkeys and lots of donated gifts went home with happy winners. Lunch was served during the games.

The 4H clubs would like to give thanks to the following businesses for generously donating gifts for the Italian raffle: Alberta Radio and T.V. Ltd., African Curios and Lapidary; Davis Automotives Imperial Lumber; Mr. Jim Klak; Macleod's; Mr. G. Mancell; Ozzies Sport Shop; Plaster Craft; Puppy Palace; Riverside Sales; Robinson's Pet and Hobby Shop; Safeway; St. Albert Credit Union;

St. Albert Flower Shop; St. Albert Sport Shop; Mr. Pat Sheehan; Sterling Fabrics; Sturgeon Electric; Sturgeon Valley Fertilizers; Veness Service. Thanks also to the

men who helped with the Italian raffle and everyone else who helped. There was a very good turnout of the first annual Villeneuve 4H Sewing and Craft Clubs.

# GIBBONS NEWS

By Shirley Steinwand  
The Board of Directors of the Sturgeon River Agricultural Society would like to thank everyone that has volunteered their help in the concession at the arena.  
More volunteers are needed, so if you have some spare time, leave your name at the

concession as to what time you are available.

The Lions Club are reminding you that you may leave old eyeglasses, or donations of money for the C.N.I.B. at the Royal Bank, Gibbons.

Winners of the Lions Grey Cup Pool held on November

24 are as follows:

1st quarter - Jean Archer of Gibbons; 2nd quarter - R. Huculak, Edmonton; 3rd quarter - Arini Majcher, Edmonton; final - D. Greig, Sherwood Park.

If you have news for the Gazette, please contact Shir-

ley Steinwand at 799-9149 afternoons or evenings, or leave at the post office, Box 169.

**NOTE:** I am not able to take news before 9 a.m., at work, or after 10:30 p.m. **PLEASE.** If you can't contact me by telephone, leave your news at the post office.

Get well wishes to Emil Fink, University Hospital; Jim Cinnamon, Fort Saskatchewan Hospital.

Glad your better wishes to Mrs. Stan Mabbutt) Beth Morin.

## THE LAST ROUND-UP

Gibbons Senior Citizens held a regular meeting on Nov. 28. Whist was played and prizes won as follows: Lady's first - Vera Hostyn; Lady's consolation - Alberta Spence; Men's first - Jean Blom; Men's consolation - Wilfred Oliver.

Lunch was served, including birthday cake for October November and December birthdays.

Roll call was answered by 33 members, including one new member, Mrs. Evelyn Rogers.

Sheila asked if one of the old timer members would take over the cards from her. As no one volunteered, Jeannette Petherbridge, who was not present, will take them over.

Sheila reported that the dancing teacher was willing

to entertain the Senior Citizens with her tap dancing class, preferably either December or January.

The next meeting will be the Christmas party. Ladies are to bring a lady's gift, and the men a man's gift, not too expensive. Everyone to bring their own lunch and a little extra. Sang "Happy Birthday" and closed with "The More We Get Together."

The Gibbons Community Centre is having their annual meeting on January 20, 1975. There must be 25% of the people in the community present to make it a legal annual meeting.

So come on folks, you don't have to be on the board, but please show an interest in the Community Hall, just by attending the annual meetings.

Due to medical reasons, Linda's Beauty Salon will have to remain closed until later in the New Year.

Linda would like to thank all of her customers for her patronage and will be looking forward to seeing them all again as soon as possible.

# NAMAO NEWS

**YOUNGSTERS WHO** go out to Namao at the Jepson home one-half mile south of Namao next weekend will be able to get a sleigh ride from "Pop" the big St. Bernard with his handler Carrie Jepson. Their parents will also be able to buy the family Christmas tree, 250 will be on sale during the weekend event. Money raised from the sale will go to help those suffering from muscular dystrophy. Karen and Chris Jepson (right) take a breather after a sleigh-ride to bales which have been arranged as seats near the bonfire which will provide warmth for visitors.

By Norma Crozier  
Namao UCW will hold their Christmas party in the Community Hall on Wednesday, December 11 at 7:30 p.m. All ladies of the community are cordially invited to attend.

White Gift Sunday will be held at Namao United Church on December 15 at 11:30 a.m. You are asked to bring gifts of food for distribution by Bissell Centre, or money gifts in the envelopes.

Following the service everyone is invited to gather in the hall for lunch and fellowship. Bring enough sandwiches for your family, dessert and beverages will be supplied.

Calling all Namao Plus Sixty Club members, does your birthday fall between May 1 and December 31? Our December 5 meeting in Namao Hall at 1:30 p.m. will be Birthday cake time. Please come and blow out your candle. Cards and

games as usual.

The St. Bernard Club will hold their annual Christmas Tree sale in aid of Muscular Dystrophy at the acreage home of Art and Pat Jepsen on December 7 and 8 from 10 a.m. - 8 p.m.

Faithful Eskimo fans Mr. and Mrs. Donald Potter attended the Grey Cup game in Vancouver, accompanied

by Mr. and Mrs. Clayton Crozier.

Congratulations to Mr. and Mrs. Brian Potter on the birth of their first child, a daughter, Sandy Jean. Born on November 26, she weighed in at 6 lbs. 13 ozs. Proud grandparents Mr. and Mrs. Jim George of Bon Accord and Mr. and Mrs. Donald Potter of Namao.

## BILLBOARD

SAT. DEC. 7 - Bake Sale, Legal Co-op - 11 a.m. sponsored by the Roman Catholic Ladies of Waugh.

Did You Know

Trees like Jack Pine or Lodgepole Pine need open space to germinate and grow while others such as Black Spruce grow well under shade.

The annual growing season in Nova Scotia averages 200 days which is double that of the area around southern Hudson's Bay.

# Annual University Christmas Concert Dec 8

The department of music at the University of Alberta will present its annual Christmas Concert on Sunday, December 8. The concert is a traditional Christmas event and will be held at All Saints' Cathedral, 10035 - 103 Street at 7:30 p.m.

Selections from Handel's Messiah will be performed by the Concert Choir and St. Cecilia Orchestra and Corelli's Concerto Op. 6, No. 12 will be performed by the strings of the St. Cecilia's Orchestra.

Christmas selections will be performed by the Concert Choir and medieval English carols will be sung by the university's Madrigal Singers.

Festive brass music will be provided by various brass ensembles of the university.

For a part of the program, the audience will be invited to join in the singing of carols.

The public is welcome to attend and there is no admission charge.

## U women plan party

The University Women's Club of Edmonton will hold a Christmas sherry party at the Nurses Residence, Misericordia Hospital on Monday, December 9 from 7 - 9 p.m. Special guests for the evening will be the Honourable Ralph Steinhauer and Mrs. Steinhauer. All women university graduates are welcome.

## Books for Christmas

Some worthwhile books can be bought for Christmas from the bookshop of the Alberta Provincial Museum this year.

Four books listed are: An Artist's view of Nature: Carl Rungius, by Lorne E. Rinder published by the Provincial Museum and Archives of Alberta. This is priced at \$1.40, Fort George and the Early Fur Trade in Alberta, by Robert S. Kidd also published by the Provincial Museum and Archives of Alberta at \$2.75, Alberta Vireos and Wood Warblers by W. Ray Salt by the same publishers at \$4.50, and a Guide to Alberta Vertebrate Fossils from the Age of the Dinosaurs by Hope Johnson and John E. Storer published by the Provincial Museum of Alberta at \$5.70.
